The Official Boat of the Walt Disney World® Resort

SUPERFISHERMAN SERIES

AHHH, CRUISING TOWARD OPEN WATERS, ROD AND REEL IN HAND, YOU KNOW IT'S GOING TO BE A GREAT DAY OF FISHING FOR YOUR WHOLE FAMILY IN YOUR STARCRAFT SUPERFISHERMAN.

FISHING — THAT'S WHAT STARCRAFT HAD IN MIND WHEN IT DESIGNED THE SUPERFISHERMAN SERIES. BOATS WITH ALL THE FEATURES YOU AND YOUR FAMILY NEED FOR A PERFECT DAY OF FISHING.

EVERY BOAT HAS A BUILT-IN GAS TANK SO YOU CAN FISH ALL DAY WITHOUT HAVING TO TREK BACK TO SHORE TO REFUEL.

YOU WON'T HAVE TO LEAVE ANY IMPORTANT GEAR AT HOME, EITHER — THERE'S PLENTY OF STORAGE FOR EVERYTHING YOU NEED FOR A GREAT DAY ON THE WATER.

WHEN YOUR FISHING IS HOT, KEEP ALL OF YOUR DAY'S CATCH IN THE BIG AERATED LIVEWELLS. (EACH SUPERFISHERMAN HAS AT LEAST 27 GALLONS OF LIVEWELL SPACE — MINIMUM!) IF YOUR FISHING IS JUST LUKEWARM, YOU CAN PASS THE TIME LISTENING TO YOUR FAVORITE MUSIC ON THE AM/FM CASSETTE RADIO.

SERIOUS FISHING FUN AND THE STARCRAFT SUPER SPORT AND SUPERFISHERMAN SERIES. POSSIBLY THE BEST COMBINATION TO COME ALONG SINCE PEANUT BUTTER AND JELLY.

The console features a Humminbird® fishfinder, tachometer and fuel gauge. The 170 and 190 also include a speedometer and voltmeter.

With the optional family package — which includes a port sleeper seat, swim platform and bow cushions — you can turn this serious fishing machine into a boat the entire family will enjoy.

New for 1995 is the railless walk-thru windshield. It protects you from wind and spray and allows any access to the bow.

Here's a sure way to get a bite! You'll have enough livewell space to keep everything you catch alive and fresh. And, there's plenty of storage for all your gear.

The Starcraft Superfisherman Series boats have lockable rod storage. There's plenty of storage space to keep all your rods safely out of the way.

Fish comfortably from the rear casting deck that features a cushioned fishing chair, storage and built-in toilet. All you need to do is hold your rod and reel 'em in.

All wood used in floors, decks and transoms is tough marine grade plywood, pressure treated to fight corrosion and backed by a lifetime warranty.

Gumwales are covered for sure footing.

Four rib master stringer systems integrated into the transom give the hull more strength and durability for a longer life.

Only the finest 5052 H32 marine grade aluminum goes into a Starcraft hull.

Foam is impact-injected between the hull stringers and the floor deck for more hull strength, less noise and level flotation that exceed industry standards.

Reverse chine hull puts the boat on plane quicker and ensures more responsive turns.

Heavy duty transom is built from 1-1/2" 13-ply marine grade plywood and reinforced to safely accommodate the boat's maximum recommended horsepower.

Double ribs in a stronger zig-zag pattern reinforce all heavy stress points.

All Starcraft boats are certified by the National Marine Manufacturers Association and meet or exceed U.S. Coast Guard standards.

In the interest of developing the finest products available, Starcraft reserves the right to change products or specifications without notice. All representations of this catalog are believed to be correct at the time of publication. Optional equipment may be shown in some photographs.

NO ONE BACKS A BOAT THE WAY STARCRAFT DOES. EVERY STARCRAFT HAS A FIVE-YEAR HULL WARRANTY, A LIMITED LIFETIME DECK WARRANTY AND MARINER/MERCURY FORCE® OUTBOARD AND MERCUISER® STERN DRIVE LIMITED ONE-YEAR WARRANTY. WE GIVE YOU THIS WARRANTY SO YOU CAN SPEND YOUR TIME ENJOYING THE WATER, NOT SITTING ON THE DOCK.

FOR FULL DETAILS, SEE YOUR STARCRAFT DEALER.

QUALITY CONSTRUCTION

The reverse chine hull being assembled here, provides many benefits over the traditional gull wing design: more lift with less horsepower, better fuel economy, better planing and more stability at rest.

This is a one piece 1-1/2" plywood transom which provides increased strength. The "U" channel center keel and longitudinal stringers provide a true running surface for improved performance.

The pressure-treated floor system improves structural integrity and eliminates floor flex at chines. The floor system is also backed by Starcraft's limited lifetime warranty.

AT STARCRAFT, WE DON'T USE THE WORD "QUALITY" JUST BECAUSE IT SOUNDS GOOD. BUILDING BOATS IS OUR BUSINESS — AND HAS BEEN FOR 92 YEARS. BUILDING TOUGH, DEPENDABLE BOATS FOR AVID BOATERS AND SERIOUS FISHERMEN LIKE YOU IS OUR RESPONSIBILITY.

WE'VE BEEN BUILDING BOATS SINCE 1903. SINCE THAT TIME, WE'VE LEARNED A LOT ABOUT BUILDING BOATS BY TALKING TO PROFESSIONAL FISHERMEN AND LISTENING TO OUR CUSTOMERS. THAT'S ALSO HOW WE'LL CONTINUE TO BUILD BOATS IN THE FUTURE — BY LISTENING TO WHAT YOU WANT IN A BOAT.

YOU CAN REALLY TRUST IN STARCRAFT BECAUSE ALL OUR BOATS ARE CERTIFIED BY THE NATIONAL MARINE MANUFACTURERS ASSOCIATION. ALL STARCRAFT BOATS ALSO MEET OR EXCEED ALL U.S. COAST GUARD STANDARDS.

NO ONE BACKS A BOAT THE WAY STARCRAFT DOES. EVERY STARCRAFT HAS A FIVE - YEAR HULL WARRANTY AND A LIFETIME DECK WARRANTY. WE GIVE YOU THESE WARRANTIES SO YOU CAN SPEND YOUR TIME HAVING FUN ON THE WATERS, NOT SITTING ON THE DOCK.

STARCRAFT QUALITY. IT'S OUR COMMITMENT TO YOU.

All "V" bottom boats are coated with a zinc chromate primer on both hull sides and bottom, providing improved paint adhesion and corrosion resistance.

The livewell is gasket sealed so it eliminates water leakage. All livewell and electrical systems are factory-tested prior to shipping, providing fewer after-sales service problems.

Every Starcraft is stall-built in final assembly by one of the fine craftspeople, whose name is assigned to the serial tag. This ensures that our workers give their personal attention to every detail.

TOURNAMENT PRO SERIES

WOULDN'T IT BE GREAT IF YOU COULD DESIGN YOUR OWN FISHING BOAT? YOU COULD HAVE ALL THE FEATURES YOU WANT AND WHERE YOU WANT THEM.

PRO FISHERMAN MIKE McCLELLAND, CAPTAIN OF TEAM STARCRAFT, DID JUST THAT. HE WORKED WITH STARCRAFT ENGINEERS TO DESIGN HIS DREAM BOAT. THE RESULT — THE STARCRAFT TOURNAMENT PRO 180.

MIKE HELPED DESIGN THIS BOAT TO MEET HIS DEMANDS AS A PRO FISHERMAN, SO YOU KNOW THIS BOAT IS BUILT FOR SERIOUS FISHING.

WHEN MIKE FISHES A TOURNAMENT, HE NEEDS TO BE IN CONTROL OF HIS BOAT AT ALL TIMES. THAT'S WHY HE WANTED QUICKSILVER® INSTRUMENTS ON THE PRO 180 — BECAUSE IT LETS HIM BE IN CONTROL. ALSO STANDARD IS A SPORT STEERING WHEEL.

MIKE IS A CHAMPION WALLEYE FISHERMAN, SO HE KNOWS WHAT KIND OF BOAT IT TAKES TO REEL IN THE BIG ONES. THAT'S WHY YOU'LL FEEL LIKE A PRO IN YOUR STARCRAFT TOURNAMENT PRO 180. IT'S DESIGNED FOR SERIOUS FISHERMEN BY A REAL PRO.

The Pro 180 features a livewell and cooler on both the port and starboard sides. You'll have plenty of room to keep your beverages cold and your fish fresh.

It seems like you take everything with you fishing. There's enough storage in the bow to keep all your important gear securely stored away.

"I didn't just help design the Starcraft Tournament Pro 180 — I use it every time I hit the water, so I know it's a great fishing boat that you'll love, too."

— Mike McClelland

The Pro 180 has a unique locking rod storage compartment that keeps your rods conveniently stored away. Your rods will be safe even when you're not on board.

Every Tournament Pro 180 comes standard with windshield. You can also include the windshield option that lets you add a convertible top.

Cast comfortably from the bow in the composite frame fishing chair. There's plenty of bow storage to keep all of your gear near by.

The stepped transom lets you safely mount your kicker motor so you can get that extra kick behind you when you need it.

TOURNAMENT FISH SERIES

You'll feel like a real captain behind the console which includes a Humminbird® Wide View fishfinder and Quicksilver® speedometer, tachometer and fuel gauges — even an AM/FM cassette radio.

Both boats are loaded with features and come standard with a MotorGuide® trolling motor and a built-in tackle tray, so there's no need to lug around your tackle box.

Your rods will be kept safe when you store them in the locking port and starboard rod boxes.

YOU'RE NEARING YOUR FAVORITE FISHING SPOT. NOW THIS IS THE WAY TO SPEND YOUR DAY OFF — JUST YOU, YOUR BEST FRIEND, AND YOUR STARCRAFT TOURNAMENT FISH BOAT.

THE STARCRAFT TOURNAMENT FISH 170 AND 180 ARE TWO BOATS THAT REALLY MEET THE NEEDS OF SERIOUS FISHERMEN. BOTH BOATS HAVE THREE REMOVABLE COMPOSITE FRAME FISHING SEATS WITH PINCHLESS HINGES AND FIVE PEDESTAL LOCATIONS. WITH LOTS OF LIVEWELL SPACE, YOU'LL HAVE ROOM TO KEEP EVERYTHING YOU CATCH ALIVE AND FRESH. (WELL, MAYBE NOT THAT OLD SHOE...)

YOU'LL HAVE ALL THE STANDARD FEATURES YOU NEED ON BOARD YOUR TOURNAMENT FISH. YOU CAN FISH ALL DAY WITH THE LARGE FUEL TANK AND THE LIVEWELL WILL HOLD YOUR ENTIRE CATCH. MOUNT YOUR KICKER MOTOR ON THE STEPPED TRANSOM FOR A LITTLE EXTRA KICK WHEN YOU NEED IT.

THE NEXT TIME YOU'RE IN THE MOOD FOR A LITTLE "FRIENDLY" COMPETITION, CHALLENGE YOUR BEST FRIENDS TO A CONTEST IN YOUR STARCRAFT TOURNAMENT FISH. WE CAN'T GUARANTEE YOU'LL WIN BUT WE CAN GUARANTEE YOU'LL HAVE FUN.

For a little friendly competition, the Tournament Fish 180 offers "His and Hers" aft 20 gallon livewells (to keep your fish separate from each other). The 170 also has two livewells — 27 gallons fore and 31 gallons aft of livewell space. You'll have plenty of room to keep your catch fresh.

When you're taking your boat to your favorite spot, the trailer's outboard motor support protects the boat transom from being damaged.

180

FISHMASTER SERIES

YOU WANT A BOAT FOR FISHING. NOT SKIING, NOT TUBING — JUST FISHING. STARCRAFT DELIVERS WITH ITS FISHMASTER SERIES. WITH FIVE MODELS — THREE ALL NEW FOR '95 — YOU'LL FIND A STARCRAFT TO FIT YOUR NEEDS AND YOUR BUDGET.

THE FISHMASTER SERIES MEETS YOUR NEEDS AS A SERIOUS FISHERMAN. ITS DEEP V-HULL WILL GO ANYWHERE THE FISH ARE BITING. IT'S LOADED WITH LOTS OF STANDARD FEATURES — JUST THE ONES YOU NEED FOR A FANTASTIC DAY ON THE WATER.

FOR ALL THE FISH YOU REEL IN, KEEP THEM ALIVE AND FRESH IN THE BIG AERATED LIVEWELLS WHILE YOU FISH FOR MORE. SIZES RANGE FROM 11 GALLONS ON THE MARINER 170 TO A WHOPPING 39 GALLONS ON THE FISHMASTER 190.

YOU CAN EASILY KEEP YOUR BOAT CLEAN SINCE THE INTERIOR IS MADE OF TOP QUALITY, MARINE GRADE VINYL. AFTER A GREAT DAY OF FISHING, SIMPLY HOSE YOUR FISHMASTER DOWN AND IT'S AS CLEAN AS THE DAY YOU BOUGHT IT.

THE NEXT TIME YOU WANT TO GO FISHING, TAKE A BOAT THAT'S MADE FOR FISHING. TAKE YOUR STARCRAFT FISHMASTER.

The stand-up convertible top provides relief from the sun and rain. When not in use, store the top in its zippered boot to keep it dry.

This is one deep boat with an extra deep fishing platform — perfect for tackling big water. The 190 also has built-in tackle storage.

Take charge behind your helm with Quicksilver® instruments. You'll be able to track fish easily with the Humminbird® fishfinder. The anchor stows away in its own bow storage.

There's room for all your rods in the port and starboard rod storage areas. The 180 series comes standard with a locking rod box for extra security.

The console of the Mariner 170 has all Quicksilver® instruments, an 11 gallon aerated livewell, a Humminbird® fishfinder and a two-way helm seat with cooler.

Both the 170 and 190 have an extra deep motor well for big water use and easy mounting of a kicker motor.

STARCASTER SERIES

The 1600's console has a speedometer, tachometer and fuel gauges and the 1700 also includes voltmeter — all by Quicksilver®. The windscreen comes standard.

Whether you're reeling in the big one or supervising your kid's first catch, you'll have room on the large forward elevated casting deck.

As in every Starcraft boat, you'll find enough rod storage. On the 1700, we've included locking rod storage so your rods won't leave without you.

BETWEEN WORK, SCHOOL AND EXTRA ACTIVITIES, THERE'S NOT MUCH TIME LEFT TO SPEND WITH YOUR KIDS, LET ALONE QUALITY TIME. THE LAST THING YOU WANT TO DO AFTER A HURRIED WEEK AT WORK IS SPEND ALL YOUR QUALITY TIME AT THE MALL.

FOR YOUR NEXT WEEKEND OUTING, WHY NOT SPEND YOUR TIME TOGETHER DOING SOMETHING THE WHOLE FAMILY WILL ENJOY — TROLLING AND FISHING IN YOUR STARCASTER STARCASTER.

WHEN YOU'RE BUYING A BOAT, YOU WANT MORE THAN JUST A BOAT. YOU WANT ALL THE FEATURES THAT HELP YOU FIND AND CATCH FISH. YOU'LL GET ALL THE STANDARD FEATURES YOU NEED ON BOTH THE STARCASTER 1600 AND 1700.

FINDING THE FISH WILL BE EASY WITH THE HUMMINBIRD® FISHFINDER. YOU CAN FISH WITH THE BEST MOTOR IN THE BUSINESS — A MOTORGUIDE® TROLLING MOTOR. YOU'LL HAVE ENOUGH FUEL IN THE BUILT-IN GAS TANK TO REACH YOUR FAVORITE FISHING SPOT AND GET HOME AGAIN.

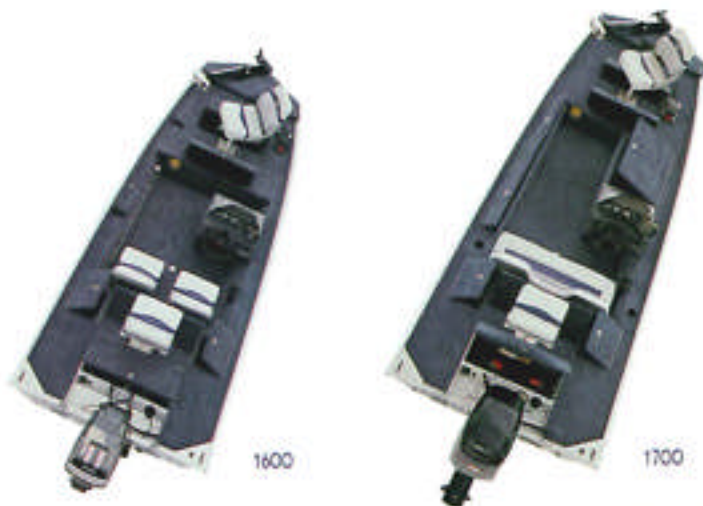

WHEN YOU'RE PLANNING YOUR NEXT WEEKEND ADVENTURE, LEAVE THE TYPICAL WEEKENDS FAR BEHIND AND GO ON A REAL ADVENTURE IN YOUR STARCASTER STARCASTER.

Whether you're cruising to your favorite spot or running home after a long day, you'll get there faster thanks to the reverse chine hull.

For your extra gear, keep it stored safely out of the way in the roomy storage compartments both fore (above) and aft (below).

1600

1700

ISLANDER SERIES

No matter what the weather — you'll find shelter under the stand-up convertible top.

Every Islander comes standard with a full windshield with up-out window vents, a console and a Humminbird® Wide View fishfinder.

On every Islander, there's plenty of storage for everything you need for a day on the water... maybe even longer.

YOU AND YOUR CREW ARE AFTER BIG FISH IN BIG WATER. OBVIOUSLY A LITTLE BOAT ISN'T GOING TO CUT IT. YOU NEED A BOAT MADE TO TAKE ON LARGE FISH IN EVEN LARGER WATERS.

ENTER THE STARCRAFT ISLANDER SERIES — THREE MODELS DESIGNED FOR GOING AFTER THE REALLY BIG FISH. WHEN YOU'RE HEADING FOR BIG WATER, YOU'LL WANT EXTRA LARGE FUEL TANKS TO TAKE YOU THERE AND BACK AGAIN. ON THE ISLANDER 191V, YOU'LL FIND A BIG 34 GALLON BUILT-IN FUEL TANK. ON THE 221V AND THE ALL-NEW 220V, YOU'LL FIND AN EVEN BIGGER TANK, 52 GALLONS — SO YOU CAN FISH ALL DAY WITHOUT HAVING TO REFUEL.

EACH BOAT FEATURES QUICKSILVER® INSTRUMENTS INCLUDING SPEEDOMETER, TACHOMETER, VOLTMETER AND FUEL GAUGES. YOU'LL LOCATE THE FISH EASILY WITH THE HUMMINBIRD® WIDE VIEW FISHFINDER, WHICH COMES STANDARD ON EVERY MODEL AND THERE'S NO NEED TO DRAG YOUR HEAVY TACKLE BOX ON BOARD. THERE'S A BUILT-IN TACKLE TRAY FOR YOUR LURES AND OTHER GEAR. IF THE SUN BECOMES TOO HOT OR IT STARTS TO RAIN, ESCAPE THE WEATHER BY SNAPPING THE CONVERTIBLE TOP INTO PLACE OR GOING BELOW DECK INTO THE BERTH.

YOU AND YOUR CREW WANT ADVENTURE. YOUR STARCRAFT ISLANDER WILL TAKE YOU WHERE YOU WANT TO GO...

191V

220V

221V

When catching big fish, you need large livewells. You'll find them on each Islander — 50 gallons on the 191V and 49 gallons on both the 221V and 220V.

The Islander's berth features all the "extras" of big pleasure boats: sliding windows with curtains, bow hatch, V-berth cushions and a locking cabin door.

Keep your rods out of the way in the rod hook storage. The 14 Deluxe's control box is made by QuickSilver®.

Another important feature — locking rod storage on both Seafarer Deluxe boats. You know your rods will be on board even when you're not.

TEACHING YOUR KIDS TO FISH. THAT'S A MEMORY YOU'LL SHARE FOR A LIFETIME. YOU CAN FISH AND TROLL YOUR WAY DOWN MEMORY LANE WITH YOUR FAMILY IN YOUR STARCRAFT SEAFARER.

THE 14 DELUXE SERIES FITS THE NEEDS OF FISHERMEN AND FAMILIES WHO ENJOY SPENDING A DAY ON THE WATER, TOGETHER. THE SEAFARER FAMILY OF BOATS IS DESIGNED TO PROVIDE GREAT FAMILY FUN AT A VERY AFFORDABLE PRICE.

THE ELEVATED CASTING DECK OFFERS PLENTY OF ELBOW ROOM. YOU'LL ALSO FISH COMFORTABLY SITTING WHERE YOU WANT IN THE FISHING CHAIR WITH THREE PEDESTAL LOCATIONS.

FOR 1995, WE'VE ADDED SOME NEW FEATURES. BOTH THE 14 DELUXE-T AND 14 DELUXE HAVE LOCKING ROD STORAGE. KEEP YOUR FISH ALIVE AND FRESH IN THE 15 GALLON BOW AERATED LIVEWELL. WE'VE ALSO ADDED MARINE GRADE CARPET ON THE INSIDE. THIS COMBINATION ADDS UP TO PROVIDE IMPROVED FUNCTION AND GREAT LOOKS.

BIG FISH, SMALL FISH, THAT OLD TIRE YOU REELED IN — ALL THOSE MEMORIES HAVE ONE THING IN COMMON; YOU MADE THEM TOGETHER IN YOUR STARCRAFT SEAFARER.

On the 14 Deluxe-T, you'll work the waters comfortably from the back with the tiller and control panel.

All your important gear will fit nicely in the bow storage compartment.

STARFISH SERIES

IF YOUR IDEA OF FAMILY VACATION INCLUDES EVERYONE – THE KIDS, GRANDMA, GRANDPA, YOUR GOOD FRIENDS NEXT DOOR – TAKE THEM ALL FOR A GREAT DAY OF FISHING AND BOATING ON YOUR STARFISH PONTOON.

THIS YEAR, YOU CAN CHOOSE THE STARFISH 200 OR THE ALL NEW STARFISH 240. BOTH COME STANDARD WITH A CHANGING ROOM AND PORTA POTTI™. OTHER FEATURES INCLUDE MARINE GRADE CARPET AND VINYL, COLOR COORDINATED TOP – EVEN AN AM/FM CASSETTE RADIO.

THE STARFISH HAS THE GREAT FEATURES YOU'D WANT ON A FISHING PONTOON, A HUMMINBIRD® WIDE EYE FISHFINDER, BIG AERATED LIVEWELL AND FOUR FISHING CHAIRS

WITH COMPOSITE FRAMES.

INSTEAD OF EVERYONE SITTING AROUND AT YOUR NEXT FAMILY GET-TOGETHER, TAKE THEM ALL OUT FOR A DAY OF FUN ON YOUR STARFISH PONTOON. WHO KNOWS – YOUR MOTHER-IN-LAW MIGHT EVEN

HAVE FUN.

200

240

If the fish aren't biting, catch a few rays on the aft padded sun deck.

There's ample room to seat everyone around the table on the L-shaped lounge or remove the table for extra space.

Command your Starfish from your full-featured console. Standard features include a Humminbird® Wide Eye fishfinder, sunscreen and rod holders.

On the spacious front deck, there's enough space for two people to sit and fish comfortably.

Your fish will stay alive long after you've caught them in the aerated livewell. It's a full 11 gallons – lots of room for lots of fish.

Even in the middle of the water, you'll find privacy in the pop-up changing room. We've also included a Porta Potti™.

There's beautiful storage under the seats for extra life jackets, swim fins, towels and other gear that you need.

When it's time to eat, you can cook out on the gas BBQ grill that's on the front deck.

On the console, you'll find all QuickSilver® instruments. There's also a standard windscreen and AM/FM cassette radio.

IF YOU PREFER A PONTOON THAT'S STYLED FOR CRUISING, YOU'LL WANT TO CHECK OUT THE NEW STARDECK SERIES. BOTH MODELS ARE ALL NEW FOR '95. YOU'LL FIND SOMETHING FOR EVERYONE IN YOUR FAMILY.

ALL THE GREAT FEATURES YOU WANT ARE STANDARD — NOT OPTIONS — ON BOTH THE STARDECK 200 AND 240. THERE'S A BUILT-IN 30 GALLON FUEL TANK FOR CRUISING ALL DAY WITH PLENTY OF GAS FOR THE RETURN TRIP HOME. FOR YOUR ALL DAY OUTINGS, YOU'LL APPRECIATE THE POP-UP CHANGING ROOM WITH PORTA POTTI®.

THERE'S PLENTY OF ROOM TO SIT AND RELAX IN THE COMFORTABLE LOUNGE SEATS AS YOU LISTEN TO YOUR FAVORITE MUSIC ON THE AM/FM CASSETTE RADIO.

PUT "FAMILY" BACK INTO YOUR FAMILY VACATIONS WITH A STARDECK PONTOON AND ENJOY A DAY ON THE WATER TOGETHER.

You'll find plenty of room on the front sun deck for you and your friends to enjoy the sun. The whole family can relax on the front wrap seating (above) or remove the table and extend the seat cushions for a full sun deck (below).

The pop-up changing room gives you the space and privacy to change from your wet suit or use the Porta Potti®.

QUALITY CONSTRUCTION

BEAUTY MAY BE IN THE EYE OF THE BEHOLDER, BUT QUALITY ISN'T. QUALITY IS A CONSTANT THAT COMES FROM HARD WORK AND A LOT OF EXPERIENCE.

AT STARCRAFT, WE PUT BOTH HARD WORK AND 92 YEARS OF BOAT BUILDING EXPERIENCE INTO EVERY STARCRAFT PONTOON WE MAKE.

ALL OF OUR EXPERIENCE IN BUILDING BOATS OVER THE PAST CENTURY HAS TAUGHT US MANY THINGS. FROM WHAT WE'VE LEARNED, WE'RE ABLE TO KEEP BUILDING BETTER PONTOONS.

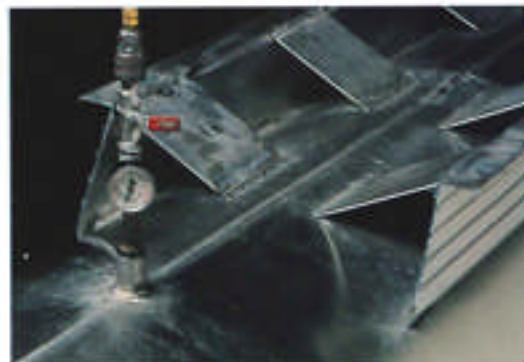

TAKE OUR PONTOON TUBES, FOR EXAMPLE — WE BUILD FULLY ROUND 23" TUBES. THESE LARGER TUBES GIVE YOU MORE FLOTATION AND MUCH BETTER PERFORMANCE THAN THE 21" OR U-SHAPED TUBES OTHER BOAT COMPANIES USE ON THEIR PONTOONS.

YOU WANT YOUR PONTOON TO LOOK AS NICE AS THE PRETTY CATALOG PICTURES FOR YEARS TO COME. THAT'S WHY WE USE MARINE GRADE CARPET AND VINYL, WHICH ARE UV STABLE. YOUR PONTOON'S UPHOLSTERY WON'T CRACK OR FADE FROM THE SUN'S HARMFUL RAYS OR BE RUINED BY SALT SPRAY.

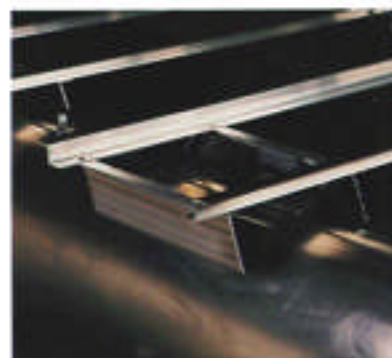

STARCRAFT QUALITY. IT'S A BEAUTIFUL THING.

All Starcraft pontoons feature state-of-the-art construction, starting with the flotation chamber. These chambers have a 23" diameter for adequate flotation and durability. Each nose cone is hand-welded and fitted with splash deflectors and keel support.

Air valves are installed in each chamber and each chamber is pressure tested for leaks at weld seams.

Extended "Z" brackets are installed every 14 inches, offering more strength and less flex. Then, gaskets are applied to prevent water entry to the upper deck surface.

The 3/4" 7-ply webstabilized floor system is installed and thru-bolted to insure proper deck fastening and eliminate screw heads backing off.

All stainless steel hardware is thru-bolted through the extrusion, deck and "Z" bars. Then, stainless steel backing plates are installed to provide strength and durability.

All side fences are jig-welded, then anodized prior to final assembly. This provides improved fit and finish and eliminates oxidation and discoloration.

Rails and gates are anodized to resist corrosion. Gates are large enough for any wheelchair access.

Furniture upholstery is UV (Ultra-Violet) resistant, remaining comfortable and attractive after years in the sun.

The deck is built from pressure-treated 3/4" 7-ply marine grade plywood that fights corrosion to prevent rotting, then covered with plush, snag resistant carpet.

Starcraft's pontoon logs are a full round 23" diameter tube with more flotation capability than 21" or U-shaped tubes others use. This means more stability underway and better performance since no heavy flotation foam is needed.

"M" brackets assure the pontoons are securely fastened to the deck.

Each multi-chambered pontoon log is fully welded at the bulkheads and air plugs for watertight integrity. Each pontoon is pressure tested at the factory to assure solid, worry free flotation.

"Z" brackets support the deck from bow to stern.

Full length keels provide protection as well as turning and handling performance.

NO ONE BACKS A BOAT THE WAY STARCRAFT DOES. EVERY STARCRAFT HAS A FIVE-YEAR HULL WARRANTY, A LIMITED LIFETIME DECK WARRANTY AND MARINER® MERCURY® FORCE® OUTBOARD AND MERCUSSER® STERN DRIVE LIMITED ONE-YEAR WARRANTY WE GIVE YOU THIS WARRANTY SO YOU CAN SPEND YOUR TIME ENJOYING THE WATERS, NOT SITTING ON THE DOCK.

FOR FULL DETAILS, SEE YOUR STARCRAFT DEALER.

All Starcraft boats are certified by the National Marine Manufacturers Association and meet or exceed U.S. Coast Guard standards.

In the interest of developing the finest products available, Starcraft reserves the right to change products or specifications without notice. All representations of this catalog are believed to be correct at the time of publication. Optional equipment may be shown in some photographs.

STARCRAFT JR

JONS & UTILITIES

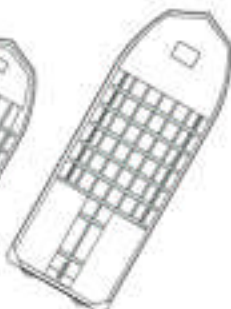

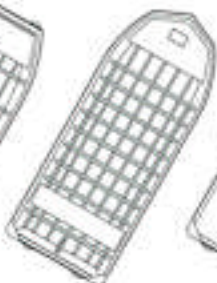

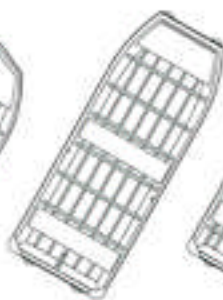

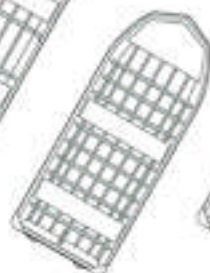

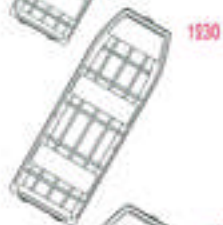

YOU WANT A BOAT FOR FISHING, PLAIN AND SIMPLE.

YOU DON'T WANT ANY OF THOSE FANCY BELLS OR WHISTLES — JUST A BOAT WITH A COUPLE OF SEATS AND ROOM FOR YOU, YOUR FISHIN' BUDDY AND YOUR GEAR. THAT'S ALL YOU REALLY NEED FOR A GREAT DAY OF FISHING.

STARCRAFT KNOWS WHAT YOU WANT IN A BASIC FISHING BOAT. WE'VE BEEN BUILDING THEM FOR 92 YEARS. IN FACT, THAT'S HOW WE GOT OUR START BACK IN 1903 — BUILDING TOUGH FISHING BOATS.

TODAY, WE BUILD BIG BOATS WITH A LOT OF BELLS AND WHISTLES. BUT UNDERNEATH ALL THE EXTRAS, YOU'LL FIND WE STILL START WITH THE SAME QUALITY THAT WE PUT INTO OUR STARCRAFT JONS AND UTILITIES. WE KNOW THEY'RE TOUGH. AFTER ALL, THAT'S WHERE THE STARCRAFT HERITAGE BEGAN IN 1903.

YOU WANT A FISHING BOAT, PLAIN AND SIMPLE. STARCRAFT BUILDS OUR JONS AND UTILITIES THE SAME WAY. EVEN WITHOUT ALL THE BELLS AND WHISTLES, THEY'RE STILL ONE TOUGH BOAT.

SUPERFISHERMAN SERIES

FISHING — THAT'S WHAT STARCRAFT HAD IN MIND WHEN DESIGNING THE SUPERFISHERMAN SERIES. THREE BOATS WITH ALL THE FEATURES YOU NEED FOR A PERFECT DAY OF FISHING.

TOURNAMENT PRO SERIES

PRO FISHERMAN MIKE MCCLELLAND AND STARCRAFT ENGINEERS TEAMED UP TO DESIGN A BOAT BUILT FOR SERIOUS FISHING. ALL THE FEATURES YOU WANT ON ONE BOAT — THE TOURNAMENT PRO 180.

TOURNAMENT FISH SERIES

THE NEXT TIME YOU WANT A LITTLE "FRIENDLY" COMPETITION, CHALLENGE YOUR BEST FRIENDS IN YOUR TOURNAMENT FISH. WE CAN'T GUARANTEE YOU'LL WIN, BUT AT LEAST YOU'LL HAVE FUN TRYING.

EXCELLENCE BY DESIGN

Whether you're ready to hit the water or on your way home after a long day of boating, you can transport your Starcraft safely in the custom, drive-on trailer that comes standard with most Starcraft aluminum boats.

Features include submersible lights, bearing protectors, tongue jack and transom tie-downs. Each trailer is built with necked tubular steel, so you know it's strong enough to carry the Starcraft name.

The Official Boat of the Walt Disney World Resort

STARCRAFT

DEALER WPRINT:

In the interest of developing the finest products available, Starcraft reserves the right to change product specifications without notice. All representations of this catalog are believed to be correct at the time of publication. Optional equipment may be shown in some photographs.

EVERY DAY, IT BECOMES MORE CLEAR THAT WE NEED TO TAKE CARE OF OUR ENVIRONMENT. AT STARCRAFT, WE BELIEVE EVERYONE SHOULD PLAY A PART IN PRESERVING THE QUALITY OF OUR AIR AND WATER. THAT'S WHY WE INCORPORATE OUR COMMITMENT TO THE ENVIRONMENT INTO EVERY ASPECT OF OUR WORK — FROM DESIGNING TO BUILDING EVERY STARCRAFT WE MAKE. WE RECYCLE OUR RAW MATERIALS AND USE MANY RECYCLED MATERIALS WHENEVER POSSIBLE.

WE HOPE YOU'LL SHARE IN OUR COMMITMENT TO TAKING CARE OF OUR ENVIRONMENT. AFTER ALL, WE'RE ALL IN IT TOGETHER.

Our environment. We're all in it together

Most Starcraft boats come standard with a Mercury®, Mariner® or Force® outboard motor or MerCruiser® stern drive with standard and optional horsepower matched to each hull for optimum performance and economy. All are by Brunswick Corp., the worldwide leader in marine propulsion.

The MerCruiser® 3.0LX, 4.3LX, 5.0 and 5.7 liter stern drives use a GM Powertrain 4-cylinder or V-6 engine, respectively, in its power source for the most efficient combination of what every boater wants in an engine: power, economy and dependability.
