// HERITAGE. FISHING.

# // BIG WATER BY STARCRAFT

For more than 107 years, Starcraft has built a heritage of quality and innovation that stretches across North America. We're especially proud to have earned the loyalty of serious fishermen who take on the challenges of big water and rugged weather — anglers, who are the last ones in each winter and the first ones out in the spring. For our 2011 lineup, we have renewed our commitment to big water fishing with series that offer deep V-hulls, spacious floorplans and all the best features so you can fish like a pro. These are serious boats for serious sportsmen. And at a Starcraft dealer, they're waiting for you.

## HERITAGE YOU CAN COUNT ON.

Today's Starcraft is a company run by the same family that started it all back in 1903, with durable galvanized steel row boats. During the 1950s, Arthur Schrock helped pioneer the manufacture of aluminum watercraft, beginning a long history of continuous improvements to aluminum hulls and a dedication to providing superior boats for serious fishermen. Four generations of the Schrock family have helped lead the industry in quality and innovation — and most importantly, value. There's a sense of pride at Starcraft that you won't find anywhere else. Pride in our boats and pride in backing them up. A commitment made from our family to yours.

*Since 1903*

## THE POWER OF CHOICE

Only Starcraft allows you to combine the broadest model lineup with your choice of the world's top five engine manufacturers to create the very best boat for you.

OVER  
**100 YEARS**  
QUALITY SERVICE

Arthur and Harold Schrock,  
founder and son

*Since 1903*

**ALL-WEATHER PACKAGE OPTION\***

- › MOORING COVERS
- › FISHERMAN'S TOP
- › SNAP-IN CARPET

**BUILT TO LAST**

How tough is a Starcraft aluminum fishing boat? Glad you asked. Each one is NMMA Certified and meets or exceeds all U.S. Coast Guard requirements. We use only 5052 H34 marine grade aluminum — the toughest we could find — to resist dents, dings and unwanted corrosion. We also finish our boats with a radiant heat-cured paint finish for good looks that will last, season after season.

**CSI AWARD OF EXCELLENCE**

Starcraft is honored to be a recipient of the 2009 NMMA CSI Award for Excellence in Customer Satisfaction for aluminum fishing boats. We dedicate the recognition to Starcraft owners across North America who inspire our ongoing commitment to quality and innovation.

\*Available on Superfisherman and Starfish.

# THE STARCRAFT DIFFERENCE

## POWER PACKAGE OPTION

- › TROLLING MOTOR WITH QUICK DISCONNECT
- › GRAPH
- › POWER PREP — FACTORY-RIGGED MOTOR & ACCESSORIES

## STARCRAFT WARRANTY

Starcraft offers a variety of outstanding warranties on our boats. Our aluminum boats come with a limited lifetime warranty on riveted and welded main hull seams. For complete warranty information on any particular aluminum boat, contact your Starcraft dealer.

## // CONSTRUCTION

### ALUMINUM

- 1 POWER-TRAC HULL®**  
combines machine-formed ribs with Torsion Beam Construction (TBC) for incomparable strength and better performance
- 2 5052 H34 MARINE GRADE ALUMINUM**  
resists dents, dings and corrosion for years of reliability
- 3 FOAM INJECTION**  
between the floor and hull eliminates air and water pockets for greater buoyancy and reduced noise
- 4 FULL-LENGTH REVERSE CHINE**  
keeps the bow down during acceleration for faster hole shots and improved cornering, providing a drier ride than most competitive lines
- 5 TBC STRINGER SYSTEM**  
offers greater strength and resilience, flexing with the waves for a smoother ride
- 6 MACHINE-FORMED RIBS**  
combined with our one-piece hull bottom, without center seam, outperform other aluminum brands that use two-ply aluminum with a center seam
- 7 DOUBLE RIVETED SEAMS**  
provide a tighter seal for increased structural integrity
- 8 7-PLY PRESSURE TREATED FLOOR/DECK**  
resists warping and other effects of dampness
- 9 MARINE GRADE CARPET AND UPHOLSTERY**  
are designed for years of durability
- 10 PREMIUM ELECTRONICS**  
include port for iPod/MP3 player
- 11 FULL FACTORY-INSTALLED INSTRUMENTATION AND OPTIONS**  
standard on select models
