FIVE GENERATIONS OF FAMILY PRIDE GO INTO EVERY PONTOON WE BUILD.

Guided by five generations of the Schrock Family and its passion for boating, Starcraft Marine has developed a loyal, experienced network of employees and dealers, so that we can deliver the industry's best service and lifetime +6 warranty. It's peace of mind that we'll be here for generations to come.

When it's time to move up to a better pontoon, there's no better choice than a luxury-minded Starcraft. With an unmatched heritage of quality and craftsmanship, Starcraft pontoons continually set the standard for better experiences on the water. Every construction detail is engineered for reliability, and every interior is designed for comfort and sophistication. Plus, no matter which Starcraft pontoon you choose, you can elevate its performance with the HMX option, featuring lifting strakes that increase speed and fuel efficiency and provide a tighter turning radius. It takes a heritage of pride and excellence to build best-in-class pontoons year after year. So from our family to yours, welcome aboard.

THE INDUSTRY'S BEST WARRANTY. PERIOD.

- Limited lifetime warranty on hull and structure
- 6-year warranty on all components, carpet, upholstery and electronics
- All parts and labor
- 100% administered by Starcraft Customer Service Department
- Transferable to second owner

THE ONLY WARRANTY WITH 250 YEARS OF HERITAGE BEHIND IT.

HMX TAKES PERFORMANCE INTO THE FAST LANE.

- Performance Shield
- PR20/25 .100" Gauge Center Tube with 60-Gallon Gas Tank*
- Performance Strakes
- Ski Tow
- Sea Star Hydraulic Steering
- Full "Heavy" Hat Construction

OUTPERFORM YOUR EXPECTATIONS.

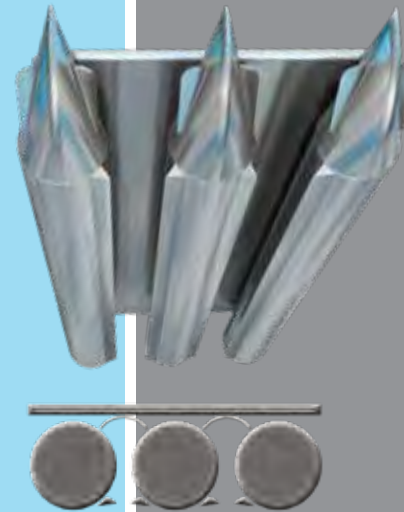

At Starcraft, we're committed to continuous innovation in pontoon performance so that you can maximize the freedom and flexibility of the pontoon boat experience. HMX Performance Strakes deliver better lift, less surface drag, increased speed, faster planing and a tighter turning radius that allows you to dig and pivot to quickly rejoin a downed skier. Plus, when you add a higher horsepower engine to this innovative tube design, you'll experience exhilaration you never dreamed possible in a pontoon – all covered by Starcraft's industry-leading Lifetime+6 Warranty.

Configurations that include the PR25 and PR20 center tube options provide for an integrated ski pylon and 25" and 20" transom heights for your choice of engine shaft. It's all designed to give you a luxury pontoon with the exhilarating performance of a ski boat.

TRADITIONAL TUBE CONFIGURATIONS/CHARACTERISTICS

Image	Description	PERFORMANCE	LIFT	HANDLING	FUEL ECONOMY
	TWO .080" ROUND TUBES – Great for all-around boating				
	TWO .080" ROUND TUBES WITH .060" ALUMINUM PERFORMANCE SHIELD – Great for all-around boating with improved water flow	✓	✓	✓	✓
	TWO .080" ROUND TUBES WITH .060" ALUMINUM PERFORMANCE SHIELD WITH LIFTING STRAKES – Great for all-around boating with improved water flow, high horsepower lifting performance	✓	✓	✓	✓
	TWO .080" ROUND TUBES AND .100" CENTER TUBE WITH .060" ALUMINUM PERFORMANCE SHIELD – For all-around boating with improved water flow, better handling and smoother, more buoyant ride	✓	✓	✓	✓
	TWO .080" ROUND TUBES AND .100" CENTER TUBE WITH .060" ALUMINUM PERFORMANCE SHIELD AND LIFTING STRAKES – Great for all-around boating with improved water flow, better handling, a smoother, more buoyant ride, high horsepower lifting performance	✓	✓	✓	✓
	TWO .080" ROUND TUBES WITH THIRD .080" PTS CENTER TUBE* WITH ALUMINUM PERFORMANCE SHIELD – Two full-length outer tubes plus a reduced length center tube to incorporate a traditional transom, creates a lighter option for better performance and fuel efficiency at an affordable price	✓	✓	✓	✓

*PTS Center Tube does not increase standard horsepower or person capacity.

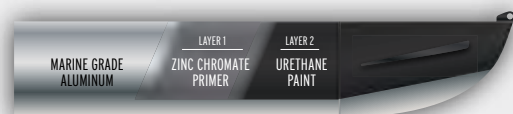

COMPETITOR

STARCRRAFT

Mounting the HMX performance strakes on the inside of the outer tubes and on both sides of the middle tube delivers a tighter turning radius and faster planing that is ideal for all watersports and cruising.

PAINTED TUBE OPTION

Starcraft pontoon tubes are constructed with up to .100" gauge one-piece marine-grade aluminum. And now, with the painted tube option, you get the added durability provided by a combination of zinc chromate primer and urethane paint, which forms a corrosion-resistant surface.

PONTOON & DECKBOAT MAGAZINE INNOVATION AWARD FOR PONTON PERFORMANCE FOR HMX PERFORMANCE STRAKES

STEP UP TO STATE-OF-THE-ART.

A great day on the water starts and ends with a boat tailor-made to your specifications.

That's why every Starcraft pontoon is built on our three pillars of a better experience: sophisticated real-world technology, luxurious comfort, and the freedom to choose virtually every aspect, from floorplans to flooring and much more.

TECHNOLOGY

Get ready to experience up-to-the-minute pontoon technology driven by our commitment to industry-leading design and meticulous construction.

MURPHY TOUCH SCREEN: Select Starcraft pontoon models are available with a Murphy touch screen control system, putting a wide range of features at your fingertips.

BIGGIE VISION CAMERA SYSTEM: Our exclusive 3-camera system enhances safety by providing a view of activity behind the boat during swimming and watersports and eliminating blind spots while docking.

TUBES: Choose from any of our exceptional pontoon configurations just right for your performance needs.

HMX Performance Strakes | 3 Standard tubes | 2 Standard tubes | PR25 Tube | PTS Center Tube

Kicker Stereo System | Lounge Arm Galley | Quick-read gauges for engine, air and water | GPS with handy chart plotter and compass heading | Stereo remote with Bluetooth®, plus 3 video inputs | Controls for all interior and exterior accent lights | Controls for freshwater pump, bilge pump, refrigerator and power Bimini top where applicable

COMFORT

Everything about a Starcraft pontoon is designed for your ultimate comfort and ease of use. Create your own luxurious living room on the water with a floorplan and furniture selection tailor-made to your lake lifestyle.

FURNITURE: You'll enjoy the finest, marine-grade quality vinyl with a soft touch and stain resistant, weatherized coating. Plush, oversized front and rear loungers and ergonomic helm chairs deliver all-day relaxation and style.

FLOORPLANS: Find the spacious floorplan configuration that accommodates your headcount and fits your lifestyle. Designed to meet all your recreational and entertaining needs, you choose the model that suits you – from versatile rear loungers, stylish port seating, dual high back helm chairs, and even bar models.

CHOICE

Freedom of choice means more freedom out on the water. From our wide range of innovative floorplans to our extensive options and packages, the fun starts with finding the pontoon just right for you.

FLOORING: Choose from durable woven vinyl and vinyl teak decking to an impressive array of carpet styles and colors.

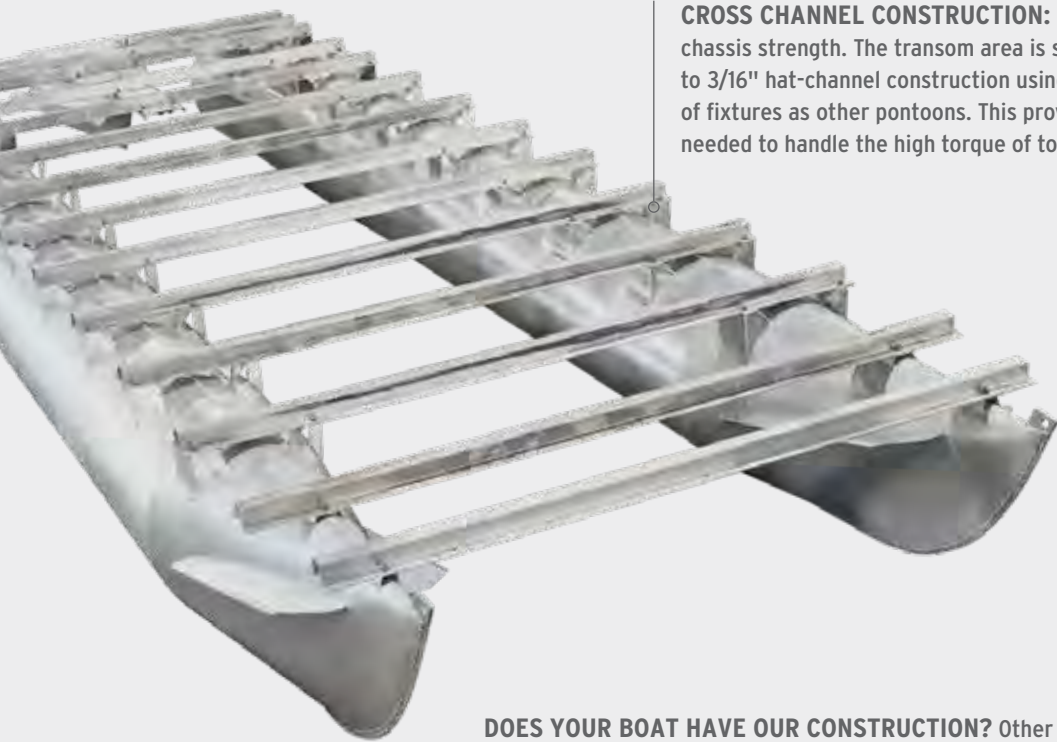

COLORS: From panel colors to accent colors to black or anodized rails, it's easy to customize a color scheme that feels like home to you.

LED LIGHTING: A wide selection of standard and optional LED lighting is available. From Babbito underdeck and underwater lighting to mood lighting and illuminated speakers and cupholders, visibility is always a priority.

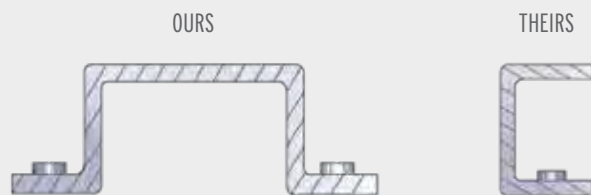

CRAFTSMANSHIP YOU CAN COUNT ON.

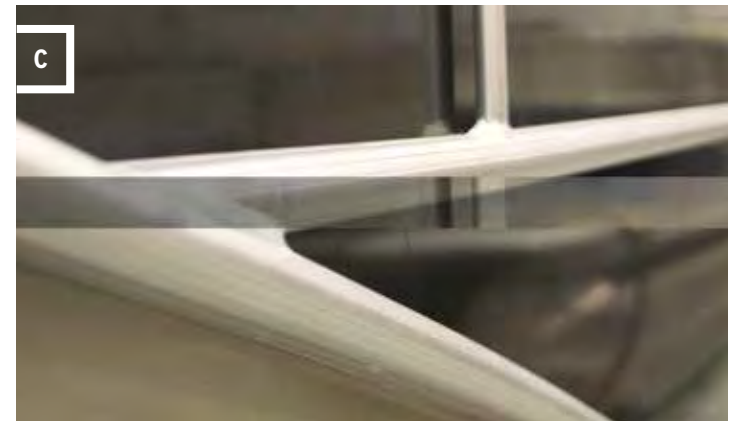

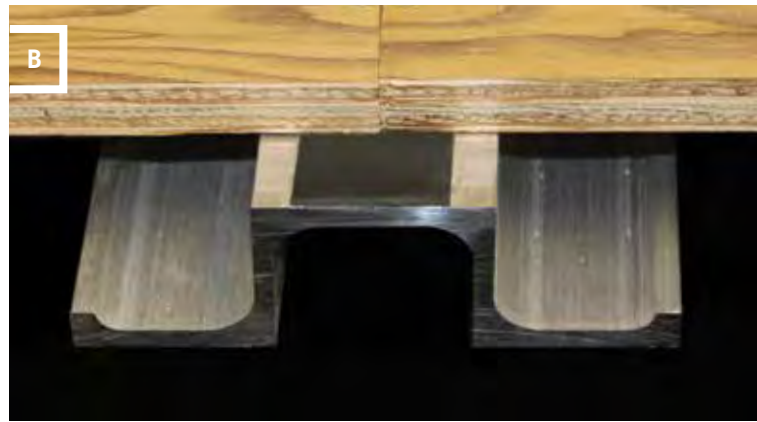

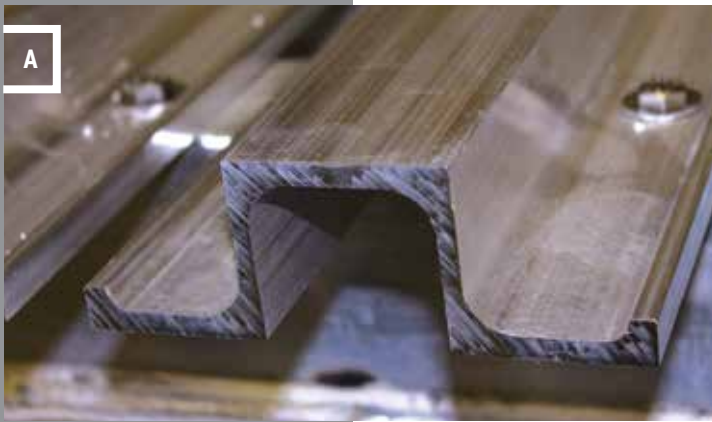

Don't take our word for it, simply take a closer look at our fleet of expertly crafted pontoons. Decades of building exceptional boats have taught us that true quality comes from meticulous construction and attention to detail. Compare our hat-channel and cross channel construction with the foundations of other pontoons. Count the fasteners. Note the heft of the aluminum gauge. What sets us apart is in the details.

CROSS CHANNEL CONSTRUCTION: Provides superior chassis strength. The transom area is supported with up to 3/16" hat-channel construction using twice the number of fixtures as other pontoons. This provides the strength needed to handle the high torque of today's large engines.

DOES YOUR BOAT HAVE OUR CONSTRUCTION? Other manufacturers use C-channel designs which can require more cross members and provide less strength than Starcraft's hat-channel construction. And with imbalanced weight distribution, C-channel cross members are less able to withstand the forces exerted on the pontoon year after year.

- A HAT-CHANNEL CONSTRUCTION:** It all begins with strength points of .250" (heavy) and .125" (standard) gauge extruded aluminum hat-channels that are 6" wide and secured with 8 bolts spanning our 6" wide deck risers. This creates the widest base in the industry and gives our pontoons greater stability without adding unnecessary weight. Combine that with a .190" gauge aluminum transom that's through-bolted with up to 20 bolts and footed deck risers that prevent tube fatigue, and you see why Starcraft backs its industry-leading construction with a Limited Lifetime Warranty on every product. ("Heavy" hat-channel shown.)
- B CONSTRUCTED FOR ENDURANCE:** 3/4", 7-ply pressure treated plywood through-bolted and screwed to the hat channels to create the strongest seams in the industry. ("Heavy" hat-channel shown).
- C FENCE & RAILING:** Features foam backing to prevent rattling and fully welded and anodized railing to add strength. Anodized welds are never painted. It's all backed by a 6-year warranty.
- D THROUGH-BOLTED TRANSMOM:** Made of up to .190" gauge aluminum and supported with up to 20 stainless bolts to handle today's higher horsepower engines.
- E 4-POINT DECK TO HULL FUSION:** Starcraft deck brackets have 4 points of fusion for an extended area of contact with the tube. In addition to providing increased strength and support, this reduces frame twist and racking in rough water and guards against tube fatigue.

SX 25 C DC • Shown with Imperial Trim Package, Power Bimini Top, and Teak Weave Flooring

SX

THE ALL-IN PONTOON FOR AN ALL-OUT EXPERIENCE

The Starcraft SX takes everything good about Starcraft pontoons and loads them into one elegantly amazing craft. The standard HMX PR25 package provides a smooth ride and crisp handling, while RGB LED lighting and Soft Touch upholstery give your boat an upscale look with the highest level of comfort. Additional standard features include a Gussi-Rondinella steering wheel, premium Bimini top, plentiful lighting and so much more. A luxury boating experience unlike any other is waiting for you – and your Starcraft SX.

STANDARD FEATURES:

- PR25 HMX Performance Package
- Power Assist Steering
- Gussi - Rondinella Steering Wheel
- In-floor Storage
- Docking Lights
