Today’s Starcraft is a company run by the same family that started it all, back in 1903. Four generations of the Schrock family have dedicated themselves to leading the industry in quality and innovation with fun, versatile boats that are well within reach. There’s a sense of pride at Starcraft that you won’t find anywhere else. Pride in our boats and pride in backing them up. A commitment made from our family to yours.

Since 1903

Think back to 1903 for a moment. Before Americans drove cars, flew airplanes or had televisions. Here in the heartland, Starcraft built its first boat—and decades of innovation were born. Since then, we’ve designed and engineered countless industry-leading improvements to pleasure and fishing craft, all to help families build their own heritage on the water. Whether a Starcraft takes your family cruising, fishing, waterskiing or wakeboarding, one thing’s for sure. At the end of the day, it brings you closer together.

Raised on the water; the fifth generation of the Starcraft family.
**Fiberglass Boats**

**Construction & Warranty**

**Choose Your Hull for Top Performance**

**Modified Dihedral Vee Hull**. This revolutionary deckboat hull design virtually eliminates rough ride and rocking motion, while air injection vents provide the smoothest, driest and most stable ride possible.

**Starstep Hull**. Starcraft’s unique after-plane hull extends past the transom for a longer running surface that results in faster planing, less bow rise and better performance at both high and low horsepower.

**Runabout Reverse Chine Hull**. Starcraft runabouts deliver first-class performance thanks to the reverse chine hull that pushes water down and away, providing impressive acceleration and cornering.

**Fiberglass Construction**

1. **Roomy Walk-in Bow** features padded seating
2. **Driver’s Console** features racecar-inspired styling with domed gauges, a custom tilt wheel and an optional aerodynamic windscreen
3. **Clean Curved Windshield**® by Taylor Made Systems®
4. **35 oz. Vinyl Upholstery** features self-draining foam for years of durability

**The Starcraft // Difference**

**Integrated Bow Ladder** allows swimmers to safely board the boat in the bow

**Self-Draining Cockpits** in Starcraft OB deckboats help keep the interior dry, even in rough water

**Large Padded SunDeck** with adjustable fold-out backrest on select models

**Extended Stern Swim Platform** is an available option on most models

**MP3 Auxiliary Port** allows you to cue up your favorite playlists

**The Layers of a Better Boat**

Starcraft fiberglass boats are painstakingly constructed to the most exacting standards. Learn more about the elements that add up to industry-leading quality:

- **Integrated stringer system provides unmatched strength and durability**. Its components are encapsulated in fiberglass on OB models for enhanced protection.
- **10 coats of wax are applied to the mold** for consistent part quality. 24-ounce woven roving fiberglass is used with a 6-inch overlap between the hull and deck for enhanced strength and a tight fit. Next is the application of 22 mils of high-elongated gel coat, and finally, each hull is inspected and weighed for consistency.

**Starcraft Warranty**

Starcraft offers a variety of outstanding warranties on our boats. Our fiberglass boats come with a transferable lifetime limited hull warranty, a five-year blister warranty, a five-year limited warranty on the marine grade carpet and a five-year limited warranty on upholstery vinyl. For complete warranty information on any particular fiberglass boat, contact your Starcraft dealer.

Driver’s Console. Our racecar-inspired console features domed gauges, a custom tilt wheel and an optional aerodynamic windscreen.

Dimini Top. Starcraft’s bimini tops look great, are easy to use and offer protection from the sun. Available in colors to complement your deckboat.

Center Console. The Star Step OB’s center console is one of the most impressive helms in its class.

Side Table. The 190 Star Step features our removable table with a screw-in base, perfect for sharing snacks or light meals on the water.

Snap-in Carpet. Versatile snap-in carpet allows you to convert easily from fishing to comfortable cruising and family fun.

Sink. You’ll appreciate the convenience of the standard freshwater sink and the versatility of the optional hand sprayer shower.

Bow Platform. The open bow leads to a spacious swim platform with a ladder, making it easy to get in and out of the water.

Bow and Cockpit Cover. Our factory installed cockpit cover protects your boat from debris when trailering or storing your boat.

Sundeck. The large, padded sundeck is a great place to lounge. Recline in even greater comfort with the optional fold-out backrest that is standard on certain models.

MP3 Auxiliary Port. It’s easy to cue up your favorite playlists with the auxiliary port for your MP3 player.

Snap-in Carpet. Versatile snap-in carpet allows you to convert easily from fishing to comfortable cruising and family fun.

Center Console. The Star Step OB’s center console is one of the most impressive helms in its class.

Wake Tower. Skiers and boarders in your gang will love the wake tower that’s custom designed for the perfect fit.

Fishing Packages. Make fishing easier with packages that include removable seating, a baitwell and rod storage systems for safe stowing of gear. (Available on select models.)

Trolling Motor. Experience maximum maneuverability and enhanced fishing opportunities with the addition of a trolling motor. (Available on most models.)

Swim Platform. This optional extended rear swim platform with integrated ladder makes it easy to climb aboard after tubing or skiing. (Standard on Star Step, optional on Limited I/O.)

Graph packages are available on most models. (Not pictured.)

Double Bimini Top. The double bimini top option offers added protection from direct sun in the heat of the day.

Trailer. Starcraft offers a range of trailer options. Check with your dealer for availability.

- Sport

See page 44 for image of the Sport Graphics Package.
**Driver’s Console.** Our sleek and sporty console features easy-to-read domed gauges and a custom wheel with rack and pinion power steering.

**Comfortable bucket-style helm seats look great and offer the durability of marine-grade vinyl. A flip-up bolster adds height when needed.**

**MP3 Plug-in.** You can share your favorite tunes with the whole gang, thanks to the auxiliary port for an MP3 player.

**Sundeck.** The sundeck features an adjustable headrest so you can turn it into your own personal lounge area.

**In-Floor Storage.** Safely store ski, board, PFDs, and more in the large in-floor locker that keeps the deck clear of clutter.

**Rear Entry.** The corner of the spacious sundeck easily flips up to provide convenient rear access and extra storage space.

**Holm Seat.** Comfortable bucket-style helm seats look great and offer the durability of marine-grade vinyl. A flip-up bolster adds height when needed.

**Bow Seating.** The roomy walk-in bow has comfortable padded seating with storage underneath the hinged bow cushions.

**Bow Ladder.** The integrated bow ladder makes it easy to get in and out of the water.

**Snap-In Carpet.** Versatile snap-in carpet allows you to convert easily from fishing to comfortable cruising and family fun.

**Cover.** A heavy-duty canvas mooring cover helps protect your boat when it’s not in the water.

**Wake Tower.** Skiers and boarders in your gang will love the wake tower that’s custom designed for the perfect fit.

**Ski Tow Bar.** Get the most fun out of your boat with a ski tow bar that stores neatly away when not in use.

**Swim Platform.** This optional extended swim platform with integrated ladder makes it easy to climb aboard after tubing or skiing.

**Safely store skis, boards, PFDs and more in the large in-floor locker that keeps the deck clear of clutter.**

**Since 1903**

- Boat Motor and Trailer Length (ft./m): 20' 3"/6.2
- Package Weight (lbs./kgs): 2295/1041
Starcraft pontoons are built to last, starting with quality materials including marine alloy aluminum, stainless steel, 7-layer pressure treated plywood and extruded Z-bar and hat channel cross members. Then each piece is constructed by experienced professionals for unsurpassed quality.

**PONTONS CONSTRUCTION & WARRANTY**

**THE STARCRAFT // Difference**

Only Starcraft offers industry-leading deck construction designed to give you years of strength and reliability.

- Exclusive cross channel construction features heavy-duty 2-bar and hat-shaped channels that are double through-bolted onto the deck risers for exceptional support.
- 7-layer pressure treated plywood deck resists warping and water damage.
- Marine-grade carpet is bonded to the deck with marine adhesive and secured around the perimeter with stainless steel fasteners.

**SETTiNG highER STANDARDS**

Every Starcraft pontoon comes standard with our commitment to quality and performance. Whether you enjoy fishing, cruising or skiing, Starcraft pontoons offer the versatility to fit your lifestyle.

1. **ROTOCAST FURNiTURE**
   - with 360º integrated drains to channel water off the boat

2. **CUSTOM CONSOlES**
   - offer comfort and luxury at the helm

3. **USB PORT**
   - lets you pre-load your favorite tunes or control an mp3 player through the on-board stereo

4. **TOP-OF-THE-LiNE VINYL UPhOlSTery**
   - designed to withstand the toughest weather conditions and has a 5-year warranty

5. **FENCiNg**
   - features supplemental cross members and foam backing to eliminate rattling

6. **RAiLiNgS**
   - keep their showroom looks for years, thanks to anodized aluminum or metallic powder coating

7. **ExClUSiVE PAiNT PROCESS**
   - bakes on polyester paint at over 400º for a lustrous, durable finish

8. **AIR-fiLLED TUBES**
   - allow Starcraft pontoons to be lighter, more powerful and more fuel efficient

9. **UNiQUE NOSE CONE DESigN**
   - deflects water away from the boat, for a smooth, dry ride

10. **ALL-ALUMiNUM TRANSOM**
    - deflects water away from the engine for optimal performance

11. **ANTi-PUNCTURE SKiD BAR**
    - adds extra layer of protection and enhances steering control

**STARCRAFT WARRANTY**

Starcraft offers a variety of outstanding warranties on our boats. All of our pontoons come with unbelievable lifetime limited warranties on decks, tubes and transoms. We also offer a five-year limited warranty on marine grade carpet and a five-year limited warranty on upholstery vinyl on most models. For complete warranty information on any particular pontoon boat, contact your Starcraft dealer.
in-floor Storage. Stow tow ropes, anchors and life preservers safely out of the way with the Majestic's in-floor storage compartment. Available in optional 3rd tube only.

Changing Room. A lockable, pop-up changing room provides privacy and convenience.

Rear Entry Platform with Ladder. A large rear entry area makes it easy to load and unload passengers, and a four-step ladder helps swimmers and skiers get in and out of the water.

Umbrella Table. The large umbrella mounts easily on the bow table and is stowed under the bimini top when not in use.

Playpen Cover. Keep your boat covered when docked, in storage or on the road with our heavy-duty playpen cover.

Rear Entry Platform with Ladder. A large rear entry area makes it easy to load and unload passengers, and a four-step ladder helps swimmers and skiers get in and out of the water.

Driver's Console with Lowrance GPS. Welcome to the water's most luxurious helm, with a custom console, built-in 383 Lowrance GPS system with depth finder, full instrumentation, a deluxe wheel and hydraulic steering.

USB Port. Hook up your MP3 player to instant music or to preload all of your favorite songs directly into the boat and control them through the on-board stereo.

Changing Room. A lockable, pop-up changing room provides privacy and convenience.

Umbrella Table. The large umbrella mounts easily on the bow table and is stowed under the bimini top when not in use.

Playpen Cover. Keep your boat covered when docked, in storage or on the road with our heavy-duty playpen cover.

3rd Tube Option. The superior performance of the 3rd tube option gives you a stable, quiet ride.

Performance Package. Add lifting strakes and experience a new level of performance on your Majestic – from more lift and speed to better handling.

Vinyl Floor or Vinyl Floor with Snap-In Carpet. You can choose a vinyl flooring alone for easy cleaning or choose vinyl floor with snap-in carpet for a versatile floor that converts easily from fishing to comfortable cruising.

Refrigerator. Complement your galley and complete your refreshment center with this optional refrigerator, perfect for keeping drinks and snacks well chilled.

Galley. A freshwater sink, with shelving and water tank storage underneath, provides a convenient place to prepare meals and refreshments on longer outings.

Porta Potti. Stay out on the water all day with the added convenience of a Porta Potti onboard.

Driver's Console with Lowrance GPS. Welcome to the water's most luxurious helm, with a custom console, built-in 383 Lowrance GPS system with depth finder, full instrumentation, a deluxe wheel and hydraulic steering.

USB Port. Hook up your MP3 player to instant music or to preload all of your favorite songs directly into the boat and control them through the on-board stereo.

---

Prestige.
Driver’s Console. Rosewood panels, domed gauges and the quick-release smoked Plexiglas® windscreen give the dash a sporty elegance. The in-dash power port and storage for portable electronics is convenient but still leaves room for the optional GPS system and an optional depth finder (shown).

Driver’s Console.

Changing Room. The pop-up changing room (on RE CR models) offers privacy and convenience on the water.

Changing Room.

Rear Entry and Ladder. A large rear entry area makes it easy to load and unload passengers, and a four-step ladder helps swimmers and skiers get in and out of the water.

Rear Entry and Ladder.

Docking Lights. The added touch that makes night cruising safer with easier docking.

Docking Lights.

Rear Fishing Station. Slow all of your fishing gear and keep your rods handy but securely out of the way at this rear fishing station. (Starfish only.)

Rear Fishing Station.

In-Seat Storage. A large storage area is hidden under the bow seats, thanks to flip-up cushions.

In-Seat Storage.

Fencing. Sturdy and looks great because we treat the aluminum panels with our exclusive process in which we bake on polyester paint at over 400 degrees and finish the railings with a metallic powder coating.

Fencing.

Aerated Livewell. Keep your catch healthy all day with the spacious, aerated livewell. (Starfish only.)

Aerated Livewell.

Umbrella Table. The large, color-coordinated umbrella mounts easily on the bow table and is stowed under the bimini top when not in use.

Umbrella Table.

3rd Tube Option. The superior performance of the 3rd tube option gives you a stable, quiet ride.

3rd Tube Option.

Docking Lights. The added touch that makes night cruising safer with easier docking.

Docking Lights.

Flexible Floorplans. Replace your portside bow couch with two portside Captain’s chairs and a table for the ultimate entertaining experience.

Flexible Floorplans.

Fish Finder. Fish the best spots with an optional fish finder. (Standard on Starfish.)

Fish Finder.

Vinyl Floor or Vinyl Floor with Snap-in Carpet. You can choose vinyl flooring alone for easy of cleaning or choose vinyl floor with snap-in carpet for a versatile floor that converts easily from fishing to comfortable cruising.

Vinyl Floor or Vinyl Floor with Snap-in Carpet.

Performance Package. Upgrade the ride of your pontoon with a performance package that includes an under deck liner, lifting strakes, ski tow bar and hydraulic steering. (Not pictured.)

SEE PAGE 44 FOR IMAGE OF THE SPORT GRAPHICS PACKAGE.
Driver’s Console. The sophisticated console features a custom molded dash, recessed knee room, a footrest, a courtesy light, document storage, an optional gauge package and an optional sunscreen, shown here.

In-Seat Storage. Flip-up cushions provide access to large dry storage areas.

Changing Room. A drop-down changing room offers privacy and convenience on the water.

Rear Entry and Ladder. A large rear entry and ladder is easy to load and unload passengers, and a four-step ladder helps swimmers and skiers get in and out of the water.

Recessed Cup Holders. Beverage cup holders in three boats to the well-designed recessed cup holders.

Bimini Top. Starcraft’s bimini tops look great, are easy to use and offer protection from the sun. Available in colors to match your pontoon.

Fencing. Sturdy and looks great because we treat the aluminum panels with our exclusive process in which we bake on polyester paint at over 400 degrees and finish with anodized aluminum railings.

Radio and Speakers. Upgrade your entertainment with an AM/FM radio with an auxiliary port for an MP3 player.

Gauge Package. The optional gauge package upgrades the looks of your console and includes a deluxe gauge brow, tachometer, trim gauge and voltmeter.

Table. Our removable table with screen base is perfect for sharing snacks or light meals on the water.

Porta Potti. Stay out on the water all day with the added convenience of a Porta Potti onboard.

Playpen Cover. Keep your boat covered when docked, in storage or on the road with our heavy-duty playpen cover.

Value Package. Add a number of our most popular options to your pontoon with a money-saving value package that includes a table, a drop-down changing room and a stereo with two speakers.

NOW YOU'RE PART OF THE FAMILY.
The people who work at Starcraft are more than a team. We’re family. So, we’re proud of each other and what we do—and it shows in the quality and craftsmanship of every Starcraft product. That’s why our entire company is committed to making sure you get every ounce of enjoyment from your new purchase. If you ever have a question about your boat, or simply want to know more about the complete line of Starcraft pontoons, deckboats and runabouts, visit our website at www.starcraftmarine.com.

ONE FOR EVERYONE
Federal law requires that you carry at least one wearable (Type I, II or III) Personal Flotation Device (PFD) for each passenger, as well as one throwable (Type IV) PFD. There are many different styles, designed to be comfortable for every activity. And most importantly, each passenger should have one that fits properly, especially children and non-swimmers.

BOATING SAFETY CHECKLIST
As the owner and captain of the boat, you are responsible for taking a few steps to make sure everyone stays safe and has a great time. Here are some quick checks you should make every time you put your boat in the water.

- Top off the fuel tank—because running out of fuel is the single greatest boating hazard.
- Perform an overall inspection—give your boat a once-over before each time out.
- Check the bilge—look for water or fuel.
- Test all systems—make sure the engines, bilge pump and lights are all running smoothly.
- Double check the drain plug—sounds like a no-brainer, but do it anyway.
- Follow the capacities displayed on the certification plate—never overload your boat.
- Distribute the weight of passengers and gear equally, from side to side and front to back. Pay particular attention to the amount of weight you have in an open bow.

SUN SAFETY
Starcraft wants everyone to be aware of the dangers of sunburn. Use the following guidelines to keep everyone safe from skin damage.

- Avoid prolonged direct exposure to the sun when it is the strongest, between 10 a.m. and 4 p.m.
- Use waterproof sunscreen of SPF 15 or higher and reapply frequently.
- Wear protective clothing, wide-brimmed hats and sunglasses that provide UV protection.
- White jersey T-shirts provide the equivalent of only SPF 5, while darker colors and special Ultra Protection Factor (UPF) fabrics offer increased protection.
- Be aware that sunburns may occur on cloudy days, too.

NOW YOUR KIDS CAN ENJOY THE FUN, GET SMART ABOUT SAFETY.
Now your kids can enjoy the fun of boating even when they’re not on the water. Sign them up for the Starcraft Kids Club at starcraftmarine.com. They’ll get to play fun computer games, learn boating safety tips and more. Get ’em started today. Because you’re never too young to be a part of the Starcraft family.
