IT'S TIME

2012

STARCRAFT
Nothing beats a pontoon for giving everyone a chance to get in on the fun. You'll love taking the helm. They'll love climbing aboard. And together, you'll discover what life on the water is all about.
A COMMITMENT FROM OUR FAMILY TO YOURS.

Today’s Starcraft is a company run by the same family that started it all, back in 1903. Four generations of the Schrock family have dedicated themselves to leading the industry in quality and innovation with fun, versatile watercraft that are well within reach. There’s a sense of pride at Starcraft that you won’t find anywhere else. Pride in our boats and pride in backing them up. A commitment made from our family to yours.

This year’s pontoon lineup is all about giving you a better experience — at every level. Whether this is your first pontoon or a step up, you’ll find incomparable style and luxury, powerful packages, spacious floorplans and
great features. In short, this one simple choice leads to dozens of options for spending time on the water.

Nothing beats a pontoon for giving everyone a chance to get in on the fun. You’ll love taking the helm. They’ll love climbing aboard. And together, you’ll discover what life on the water is all about.
Setting Higher Standards

Every Starcraft pontoon comes standard with our commitment to quality and performance. Whether you enjoy fishing, cruising or skiing, Starcraft pontoons offer the versatility to fit your lifestyle.

Starcraft pontoons are built to last, starting with quality materials including marine alloy aluminum, stainless steel, 7-layer pressure-treated plywood and extruded Z-bar and hat-channel cross members. Then each piece is constructed by experienced professionals for unsurpassed quality.

1. Cross Channel Construction provides superior chassis strength. The transom area is supported with up to 3/16" hat-channel construction using twice the amount of fixtures compared to other pontoons. This provides the strength to handle the high torque of today's large engines.

2. Deck and floor feature ¾", 7-ply pressure-treated plywood through-bolted and screwed to the hat channels to create the strongest seams in the industry. Backed by a Limited Lifetime warranty.

3. Spacers between the fence bottom and the deck allow water to drain easily and cut drying time in half.

4. Fence and railing features foam backing to prevent rattling and fully welded and anodized railing to add strength. Anodized welds are never painted. It's all backed by a 6-year warranty.

5. Ez Gate Lift incorporates safety and convenience with style. The ingenious heavy-duty hinge lifts up and out to create a safe environment that still only requires one hand for easy loading and unloading.

6. Superior upholstery is covered by a 6-year warranty. We use only the finest quality, UV stabilized, marine-grade 42 ml vinyl, automotive-grade pigments and a Stain Resistant Topcoat. Herringbone backing provides "no-sag" recovery while biocide-treated foam and stainless fixtures add durability. To help it all last, our bases are designed with a moat system that directs water away from the seat and off the boat.

7. Tubes are made with one-piece .080 gauge aluminum with full-length keels and sturdy deck risers. Backed by a Limited Lifetime Warranty.

8. Transom made of up to .190 gauge aluminum and supported with up to 20 stainless bolts to handle today's higher horsepower engines.

9. Quick-Release Bimini Top made of aluminum with up to 1¼" stainless fixtures features color-matched canvas and easy-to-use push-button system.

10. Protected Stern Boarding Area available in synthetic teak on the Majestic and Limited series or durable vinyl on the Starfish and Stardeck series. Either way, it provides a great place to dry off after swimming or tubing.

11. Premium appointments include custom corner castings, padded interiors, LED lighting, pop-up cleats, mahogany accents, stainless hardware and extended swim platform.

For the Best
// SETTING HIGHER STANDARDS

Every Starcraft pontoon comes standard with our commitment to quality and performance. Whether you enjoy fishing, cruising or skiing, Starcraft pontoons offer the versatility to fit your lifestyle.

Starcraft pontoons are built to last, starting with quality materials including marine alloy aluminum, stainless steel, 7-layer pressure-treated plywood and extruded Z-bar and hat-channel cross members. Then each piece is constructed by experienced professionals for unsurpassed quality.

1. **CROSS CHANNEL CONSTRUCTION** provides superior chassis strength. The transom area is supported with up to 3/16" hat-channel construction using twice the amount of fixtures compared to other pontoons. This provides the strength to handle the high torque of today’s large engines.

2. **DECK AND FLOOR** feature ¾", 7-ply pressure-treated plywood through-bolted and screwed to the hat channels to create the strongest seams in the industry. Backed by a Limited Lifetime warranty.

3. **SPACERS** between the fence bottom and the deck allow water to drain easily and cut drying time in half.

4. **FENCE AND RAILING** features foam backing to prevent rattling and fully welded and anodized railing to add strength. Anodized welds are never painted. It’s all backed by a 6-year warranty.

5. **EZ GATE LIFT** incorporates safety and convenience with style. The ingenious heavy-duty hinge lifts up and out to create a safe environment that still only requires one hand for easy loading and unloading.

6. **SUPERIOR UPHOLSTERY** is covered by a 6-year warranty. We use only the finest quality, UV stabilized, marine-grade 42 ml vinyl, automotive-grade pigments and a Stain Resistant Topcoat. Herringbone backing provides “no-sag” recovery while biocide-treated foam and stainless fixtures add durability. To help it all last, our bases are designed with a moat system that directs water away from the seat and off the boat.

7. **TUBES** are made with one-piece .080 gauge aluminum with full-length keels and sturdy deck risers. Backed by a Limited Lifetime Warranty.

8. **TRANSOM** made of up to .190 gauge aluminum and supported with up to 20 stainless bolts to handle today’s higher horsepower engines.

9. **QUICK-RELEASE BIMINI TOP** made of aluminum with up to 1¼" stainless fixtures features color-matched canvas and easy-to-use push-button system.

10. **PROTECTED Stern Boarding Area** available in synthetic teak on the Majestic and Limited series or durable vinyl on the Starfish and Stardeck series. Either way, it provides a great place to dry off after swimming or tubing.

11. **PREMIUM APPOINTMENTS** include custom corner castings, padded interiors, LED lighting, pop-up cleats, mahogany accents, stainless hardware and extended swim platform.

// A STRONGER FOUNDATION

Only Starcraft offers industry-leading deck construction designed to give you years of strength and reliability.

- **Exclusive cross channel construction** features heavy-duty Z-bar and hat-shaped channels that are double through-bolted onto the deck risers for exceptional support.

- **7-layer pressure-treated plywood** deck resists warping and water damage.

- **Marine grade carpet** is bonded to the deck with marine adhesive and secured around the perimeter with stainless steel fasteners.

Starcraft’s hat-channel construction begins with up to .250 gauge aluminum hat chase with a 5.8” span, secured with eight bolts. Combine that with a .190 gauge aluminum transom that’s through-bolted with up to 20 bolts and footed deck risers to prevent tube fatigue, and you see why Starcraft backs its industry-leading construction with a Limited Lifetime Warranty on every product.

// STARCAST WARRANTY

Starcraft offers a variety of outstanding warranties on our boats. All of our pontoons come with unbeatable limited lifetime warranties on decks, tubes and transoms. We also offer a six-year limited warranty on marine grade carpet and a six-year limited warranty on upholstery vinyl on most models. For complete warranty information on any particular pontoon boat, contact your Starcraft dealer.

DESIGNED TO MAKE THE MOST OF EVERY MOMENT.

You expect the best in everything you do, which makes the Starcraft Majestic the ideal choice for you and your family. Just look at everything this luxurious cruiser has to offer:

- Raised helm console
- Thick, plush furniture
- Rear deck with non-skid synthetic teak flooring
- Completely redesigned, versatile floor plans with four different layouts
- Comfortable, modern carpet

- Performance tubes with lifetime warranty
- Blue LED lighted cup holders
- Underwater lighting
- Color-coordinated playpen cover
- Extended swim platform

Ask your dealer about these popular options for the Starcraft Majestic series.

- Porta Potti
- Refrigerator (not available on Loungers)
- Double Top
- Full Camper
- Half Camper
- Vinyl Floor
- Snap-In Carpet (requires vinyl floor)
- 25’ Diameter Center Tube
- In-Floor Storage (requires center tube)
- Satellite Stereo
- Depth Gauge
- Remote Control Deck Lights
- Babbito Underdeck Blue LED Lights
- Mica Tan Canvas Color

Ask your dealer for more information on how to get even more from the Starcraft Majestic with our optional package.

PERFORMANCE PACKAGE: Get even more performance out of a pontoon that already delivers so much. The Performance Package adds a 25’ diameter center tube with in-floor storage and performance strakes for faster planing, better contouring and a smoother ride.

A. Console Cruise in style with a raised helm console station with full windscreen, GPS, chrome-accented gauges with lighted toggle switches and a Stella Falletto spoked steering wheel. Add your favorite tunes with the premium audio system with mP3 port and USB.

EVERY FEATURE CREATES
A BETTER EXPERIENCE.

The Starcraft Limited series is legendary for its spacious comfort and attention to detail. There’s no limit to comfort and excitement with these features:

+ Full fiberglass console
+ Soft Touch Distinct Beige 42ml furniture
+ Plush 28oz. Boca Raton carpet
+ Versatile floor plans with three different layouts with something for everyone

**ELITE PACKAGE:** Push the limits of luxury with the Elite Package. You’ll enjoy greater comfort and a spacious feel with a high-back helm chair with armrests. Stay cool with the umbrella table that provides shade for all. And, make waves with the ski tow that’s bolted through the deck for maximum strength.

**PERFORMANCE PACKAGE:** The Performance Package gives you a smoother ride with a round center tube with aluminum underdeck liner for stability and better handling, performance strakes for faster planing and better contouring and SeaStar® hydraulic steering for easy turning. Plus the through-bolted ski tow with double aluminum tubing for security while towing skiers and tubers.
