THE INDUSTRY’S BEST WARRANTY. PERIOD.

- Limited lifetime warranty on hull and structure
- 6-years warranty on all components, carpet, upholstery, and electronics
- All parts and labor
- 100% administered by Starcraft Customer Service Department
- Transferable to second owner

The only warranty with 250 YEARS of heritage behind it.
Born to fish. Built for **WINNERS**.

For 110+ years, the name Starcraft has stood for quality and innovation in fishing boats. We’ve earned our reputation through hull designs that deliver jaw-dropping performance and a smoother, drier ride — and through industry-leading construction and high-grade materials. It’s this attention to detail that turns the heads of professional anglers across North America, and we are proud to build boats that help them succeed. Most importantly, we take that knowledge and apply it to great models that fit every budget. Whether you’re looking for a fully-loaded tournament-ready craft or a rugged, reliable utility, you can be sure you’re getting a boat that reflects our proud heritage. Because if you were born to fish, there’s a Starcraft for you.

With four generations of **HERITAGE** and a loyal network of employees and dealers, you know we’ll be here for generations to come.
THE STARCRAFT DIFFERENCE

With our long heritage on the water, we know firsthand what goes into a better fishing experience. You can count on Starcraft to maximize the things that matter most – giving you best-in-class boats to fit every budget.

HEAVY GAUGE ALUMINUM
is de-coiled into flat sheets that are ready to be cut, bent and molded for production.

CNC ROUTED
parts are cut out on a CNC router to the exact dimensions to fit perfectly into every boat.

ONE-PIECE ALUMINUM BOTTOM
is folded and molded to the greatest intrinsic shape.

RIVETED
for superior strength, allowing the flexing needed for a smooth, dry ride.

5052 H34
Marine grade 100 gauge aluminum resists dents, dings and corrosion for years of reliability.

POWER-TRAC HULL®
Our shock-absorbing Power-Trac Hull® combines longitudinal, machine-formed ribs with Starcraft’s exclusive Torsion Beam Construction (TBC) stringer system that flexes with the waves instead of against them, providing greater strength and a smoother ride.

7-LAYER PLYWOOD FLOORS
injected with urethane foam deliver maximum buoyancy, and all carpet and vinyl is installed with spray adhesive to avoid any loose fitting materials.

FULL PAINTED HULLS
are first primed before painted and twice baked to provide showroom looks for years to come.

ALL DECALS
are installed by hand, giving the boat a finished look that is unmatched.

STARCRAFTMARINE.COM
EXCLUSIVE PERFORMANCE OF THE POWER-TRAC HULL®

A smoother ride at higher speeds depends on a better hull design. Starcraft Power-Trac Hull features a greater angle of deadrise that works in combination with the exclusive Torsion Beam Construction (TBC) stringer system to deliver game-changing performance. Longitudinal machine-formed ribs flex with the chop to minimize pounding even in rough water.

LIVEWELLS

You can count on Starcraft for large-capacity state-of-the-art aerated livewells to hold your catch and keep it fresh all day. Select models feature a lighted, aerated, timed and recirculating livewell with an integrated baitwell and oxygenator.

BOW PLATFORMS

Starcraft fishing boats feature wide beams and large, open casting platforms. Flush in-floor storage and livewells give you unobstructed space for maneuvering. And the enhanced interior depths of our deep-V hulls provide added safety in rough conditions.

ROD STORAGE

Our rod storage spaces are designed to give you the ability to take and easily access all your favorite gear. Select models feature lockable bow in-floor center storage that safely stows up to 8 rods.

CONSOLES

Starcraft deluxe consoles are sleek and contemporary with sports car styling and ergonomic comfort at the helm. Select models feature a full array of fog-free gauges, hydraulic steering, lighted rocker switches, and space to conveniently mount a sonar unit.
Starcraft is proud to sponsor some of the most successful professionals competing at the national and local levels throughout North America, with numerous World Championships and Team of the Year titles to their credit. Starcraft fishing boats, like the STX Series, are developed with the team’s feedback, as they push our boats to the limit. You can count on that same performance and reliability in your Starcraft — to help you fish like a pro.

Keep up with Starcraft professionals at starcraftmarine.com and view tournament leader boards and team bios. You can also find tips from the pros for a variety of fish species and fishing styles.
With a wide beam, deep interior, large fuel capacity, high maximum horsepower and superior control in rough conditions, the Fishmaster lets you catch the spirit of the open water.

The Superfisherman has the storage and specs every serious fisherman wants, with the seating and features that every family needs. It’s a great catch, without compromising.

The STX was built for passionate anglers, with a roomy floor plan and tournament-ready features that help you fish like a pro.

With convertible seating and a deeper freeboard, the Expedition is built for both the serious sportsman and the safety-minded family.

The Starfish has the features and versatility to accommodate any angler, with the enduring quality that ensures enjoyment for generations to come.

In an Explorer or a Select, you’ll know that your dollar was well spent—just like your day on the water. It’s everything you need to do what you love.
FISHMASTER

FISHMASTER 196
shown with optional equipment, including Trolling Motor and Sonar Unit

STARCRAFTMARINE.COM
Put **CONFIDENCE** on your side.

If you’re heading for big water, there’s no better choice than the Fishmaster deep-V with its wide-beam, deep interior and 52-gallon fuel capacity. You’ll love the pro-style console with lighted gauges, 12-volt power point and ample room for an optional sonar unit. The open floorplan includes spacious rod storage, and removable jump seats give you the flexibility to take along some fellow anglers.

**A CONSOLE:** A true fisherman’s friend, with easy-to-read lighted gauges, rocker switches, AM/FM J-Port, 12-volt power point and ample room for a sonar unit.

**B LIVEWELL:** A 41-gallon aerated livewell in the center of the bow keeps your catch fresh all day.

**C REMOVABLE JUMP SEAT:** The removable jump seat can be easily removed for better access to the water, or stay in for an additional passenger.

**D SPACIOUS INTERIOR:** With a spacious open floor plan and four seats that come standard, you have plenty of room for more anglers aboard. Shown with optional captain’s chair.

**STANDARD FEATURES:**
- » Lifetime +6 Warranty
- » 7-Ply Pressure Treated Floor/Deck
- » Slider on Helm Chair
- » In-Floor Storage
- » Mounted 60” and 24” Burt’s Custom Tackle Rod Tracks

FAMILY SKI PACKAGE INCLUDES:
- Ski Pylon
- 2-Step Boarding Ladder
- Bow Cushions
VERSATILITY at an unbeatable value.

The Starfish series leads the way with versatile floorplans for both serious fishing and family fun. The dual-console (DC) model features a curved windshield with walk-through bow and three deluxe wood-free fishing seats. The single-console (SC) model offers spacious in-floor center rod storage. And the Starfish Fish & Ski converts easily to cruising and watersports with a walk-through bow and rear flip-up seats.

A DELUXE FISHING SEAT: With a removable, wood-free swivel seat, you'll enjoy a comfortable day on the water for years to come.

B ROD STORAGE: Keep your fishing rods safe, out of the way and organized in this convenient rod storage compartment.

C STERN LIVEWELL: An aerated, 30-gallon livewell in the stern can keep a larger catch fresh all day long.

D REAR FLIP-UP JUMP SEATS: In the 176 Fish & Ski model, rear flip-up jump seats gives you more space on the casting platform or more places to sit – all with a simple flip (shown with optional ski pylon).

E CONSOLE: Easy-to-read lighted gauges, rocker switches, AM/FM J-Port, 12-volt power point and ample room for a sonar unit.
