THE INDUSTRY'S BEST WARRANTY. PERIOD.

- Limited lifetime warranty on hull and structure
- 6-year warranty on all components, carpet, upholstery and electronics
- All parts and labor
- 100% administered by Starcraft Customer Service Department
- Transferable to second owner

THE ONLY WARRANTY WITH 250 YEARS OF HERITAGE BEHIND IT.
BORN TO FISH.
BUILT FOR WINNERS.

For 110+ years, the name Starcraft has stood for quality and innovation in fishing boats. We’ve earned our reputation through hull designs that deliver jaw-dropping performance and a smoother, drier ride — and through industry-leading construction and high-grade materials. It’s this attention to detail that turns the heads of professional anglers across North America, and we are proud to build boats that help them succeed. Most importantly, we take that knowledge and apply it to great models that fit every budget. Whether you’re looking for a fully-loaded tournament-ready craft or a rugged, reliable utility, you can be sure you’re getting a boat that reflects our proud heritage. Because if you were born to fish, there’s a Starcraft for you.

GUIDED BY FOUR GENERATIONS OF THE SCHROCK FAMILY AND ITS PASSION FOR BOATING, STARCAST MARINE HAS DEVELOPED A LOYAL, EXPERIENCED NETWORK OF EMPLOYEES AND DEALERS, SO THAT WE CAN DELIVER THE INDUSTRY’S BEST SERVICE AND LIFETIME +6 WARRANTY. IT’S PEACE OF MIND THAT WE’LL BE HERE FOR GENERATIONS TO COME.
THE STARCREST DIFFERENCE.

With our long heritage on the water, we know firsthand what goes into a better fishing experience. You can count on Starcraft to maximize the things that matter most — giving you best-in-class boats to fit every budget.

**HEAVY GAUGE ALUMINUM** is de-coiled into flat sheets that are ready to be cut, bent and molded for production.

**CNC ROUTED** parts are cut out on a CNC router to the exact dimensions to fit perfectly into every boat.

**ONE-PIECE ALUMINUM BOTTOM** is folded and molded to the greatest intrinsic shape.

**RIVETED** for superior strength, allowing the flexing needed for a smooth, dry ride.

**5052 H34** Marine grade 100-gauge aluminum resists dents, dings and corrosion for years of reliability.

**THROUGH BOLTED TRANSOM BRACES** are bolted through the transom to allow for the high horsepower engines.

**POWER-TRAC HULL®** combines longitudinal, machine-formed ribs with Starcraft’s exclusive Torsion Beam Construction (TBC) stringer system that flexes with the waves instead of against them, providing greater strength and a smoother ride.

**7-LAYER PLYWOOD FLOORS** injected with urethane foam deliver maximum buoyancy, and all carpet and vinyl is installed with spray adhesive to avoid any loose fitting materials.

**FULL PAINTED HULLS** are first primed before painted and twice baked to provide showroom looks for years to come.

**ALL DECALS** are installed by hand, giving the boat a finished look that is unmatched.
EXCLUSIVE PERFORMANCE OF THE POWER-TRAC HULL®
A smoother ride at higher speeds depends on a better hull design. Starcraft Power-Trac Hull features a greater angle of deadrise that works in combination with the exclusive Torsion Beam Construction (TBC) stringer system to deliver game-changing performance. Longitudinal machine-formed ribs flex with the chop to minimize pounding even in rough water.

SOFT & SMOOTH RE-ENTRY: When it comes to rough water, a great ride depends on the re-entry of a boat. Starcraft's exclusive Power-Trac Hull and aggressive deadrise at transom in combination account for one of the softest rides in rough water.

STATE-OF-THE-ART LIVEWELLS: CONVENIENT, RELIABLE
You can count on Starcraft for large-capacity state-of-the-art aerated livewells to hold your catch and keep it fresh all day. Select models feature an aerated, timed and recirculating livewell with an integrated baitwell and oxygenator.

FRESHCATCH LIVEWELL: Our aerated livewells are timed for convenience and feature a PowerStream nozzle, a single bilge and black thru-hulls.

FRESHCATCH PRO LIVEWELL: Our pro livewells are aerated and timed and feature a recirculating pump to move more water and oxygen into the tanks to keep fish active. Highlights include a PowerStream aerator, black thru-hulls and PowerStream nozzle.

You can count on Starcraft fishing boats to be backed by the industry's best warranty. The exclusive Lifetime +6 warranty provides a limited lifetime warranty on the hull and structure and a 6-year warranty on all components, including carpet, upholstery and electronics. The warranty covers all parts and labor and is transferable to a second owner.

BOW PLATFORMS
Starcraft fishing boats feature wide beams and large, open casting platforms. Flush in-floor storage and livewells give you unobstructed space for maneuvering. And the enhanced interior depths of our deep-V hulls provide added safety in rough conditions.

CONSOLES
Starcraft deluxe consoles are sleek and contemporary with sports car styling and ergonomic comfort at the helm. Select models feature a full array of fog-free gauges, hydraulic steering, lighted rocker switches, and space to conveniently mount a sonar unit.

ROD STORAGE
Our rod storage spaces are designed to give you the ability to take and easily access all your favorite gear. Select models feature lockable bow-in-floor center storage that safely stores up to 8 rods.
TEAM
STARCREST

Starcraft is proud to sponsor some of the most successful professionals competing
at the national and local levels throughout North America, with numerous World
Championships and Team of the Year titles to their credit. Starcraft fishing boats, like the
STX Series, are developed with the team’s feedback, as they push our boats to the limit. You
can count on that same performance and reliability in your Starcraft – to help you fish like a pro.

FISHMASTER
ALUMINUM
With a wide beam, deep interior, large fuel capacity, high maximum horsepower and superior control in rough conditions, the Fishmaster lets you catch the spirit of the open water.

SUPERFISHERMAN
ALUMINUM
The Superfisherman has the storage and specs every serious fisherman wants, with the seating and features that every family needs. It’s a great catch, without compromising.

TITAN
ALUMINUM
With Titan, you now have a budget-friendly option for pro-style fishing. It dazzles the competition with its roomy layout, stylish console, serious features and optional premium packages.

STX
FIBERGLASS/ALUMINUM
The STX was built for passionate anglers, with a roomy floor plan and tournament-ready features that help you fish like a pro.

STARFISH
ALUMINUM
The Starfish has the features and versatility to accommodate any angler, with the enduring quality that ensures enjoyment for generations to come.

RENEGADE
ALUMINUM
Dedicated to the pre-dawn adventures of the die-hard outdoorsman, Renegade offers rugged reliability, flexible layouts and the amenities you need to stow your gear and store your catch.

STEALTH
ALUMINUM
When you’re ready to fish from the legendary quality of a Starcraft, Stealth is your best value for a great experience. Choose your spot, pick your weapon and head out with confidence.

SELECT
ALUMINUM
In a Select, you’ll know that your dollar was well spent – just like your day on the water. It’s everything you need to do what you love.
FISHMASTER

A DEEPER V BECAUSE BIGGER WATER = BIGGER FISH.

Built to tame the open water, the Fishmaster comes armed from bow to stern with the greatest in fishing features. Take the whole crew along with four premium fishing seats, a 52-gallon fuel tank for extended fishing trips and a 41-gallon livewell for the big catch. Make plenty of room to reel one in from the stern by removing the jump seat to allow access to the entire back of the boat. With its wide-beam, deep interior and a deep-V, you’ll slice through even the toughest waves in total confidence.
