THE INDUSTRY'S BEST WARRANTY. PERIOD.

- Limited lifetime warranty on hull and structure
- 6-year warranty on all components, carpet, upholstery and electronics
- All parts and labor
- 100% administered by Starcraft Customer Service Department
- Transferable to second owner

THE ONLY WARRANTY WITH 250 YEARS OF HERITAGE BEHIND IT.
FIVE GENERATIONS OF FAMILY PRIDE GO INTO EVERY BOAT WE BUILD.

Starcraft fiberglass sportboats are all about giving you the freedom to define your experience on the water. Whether you love exhilarating cruises and water sports or spacious comfort at your favorite sand bar, there’s a Starcraft to fit you — and your wallet. For over a century, the Starcraft name has been synonymous with boating innovation, and with four distinct hull contours, this year’s lineup is no exception. It takes a heritage of pride and excellence to build best-in-class sportboats year after year. So from our family to yours, welcome aboard.

GUIDED BY FIVE GENERATIONS OF THE SCHROCK FAMILY AND ITS PASSION FOR BOATING, STARCRAFT MARINE HAS DEVELOPED A LOYAL, EXPERIENCED NETWORK OF EMPLOYEES AND DEALERS, SO THAT WE CAN DELIVER THE INDUSTRY’S BEST SERVICE AND LIFETIME +6 WARRANTY. IT’S PEACE OF MIND THAT WE’LL BE HERE FOR GENERATIONS TO COME.
A great day on the water starts and ends with a boat tailor-made to your specifications. That’s why every Starcraft is built on our three pillars of a better experience: sophisticated real-world technology, luxurious comfort, and the freedom to choose virtually every aspect, from floorplans to flooring and much more.
**COMFORT**

Everything about a Starcraft is designed for your ultimate comfort and ease. Create your own luxurious living room on the water with a floorplan and furniture selection tailor-made to your lake lifestyle.

**FURNITURE:** You’ll enjoy premium comfort with top-of-the-line loungers, sundecks and helm seats. Specially-designed family fun seating helps kids get ready for water sports and provides a convenient lookout spot when kids jump in for a swim.

**FLOORPLANS:** Find the spacious floorplan configuration that accommodates your headcount and fits your lifestyle. Deeper interiors provide increased safety and comfort for the whole family.

---

**CHOICE**

Freedom of choice means more freedom out on the water. From our wide range of durable flooring options to our extensive customized packages, the adventure starts with customizing your boat just for you.

**FLOORING:** Choose from durable snap-in Sea Weave vinyl and gray or tan snap-in marine mat.

**COLORS:** From gel coat colors to interior accents, it's easy to customize a color scheme that feels like home to you. (For a complete listing of color options, see pages 32-33).

**LED LIGHTING:** A wide selection of standard and optional color changing LED lighting is available. From Babbito underdeck and underwater lighting to mood lighting and illuminated speakers and cupholders, visibility is always a priority.
Starcraft fiberglass boats are constructed to the most exacting standards. Learn more about the elements that add up to industry-leading quality.

- Integrated stringer system provides unmatched strength and durability. All components are encapsulated in fiberglass, and on all outboard models the stringers are completely composite.
- Blister-guard barrier protects your boat from the elements and prevents gel coat blistering.
- Ten coats of wax are applied to the molds for consistent part quality. Layered 24 oz. woven roving power weave fiberglass mat is used with a 6-inch overlap between the hull and deck for enhanced strength and a tight fit. Next is the application of 22 ml of high luster gel coat and, finally, each hull is inspected and weighed for consistency.

- 22 ml ISO-NPG Gel Coat
- 24 oz. Power Weave Mat
- 60 ml of Fiberglass Mat
- 2 ml Coremat
- 18 oz. Bi-Axial Fiberglass
- Blister-Guard Barrier Coat
A  **SPACIOUS INTERIORS:** Starcraft leads the way with innovative floorplans that maximize space inside the boat. From the roomy walk-in bow with seating for 4, to the added safety and comfort of deep interiors, to plush, generous bucket helm chairs — it’s all about being able to spread out and enjoy the day.

B  **DRIVER’S CONSOLE:** Luxuriously appointed helm station with ergonomically designed dash and helm seat.

C  **BIGGIE VISION CAMERA SYSTEM:** Our exclusive rear camera system enhances safety by providing a view of activity behind the boat during swimming and watersports and eliminating blind spots while docking.

D  **35 OZ. VINYL UPHOLSTERY:** Comfortable and strong, the upholstery features self-draining foam for lasting durability.

E  **SURE STEP SAFETY PLATFORMS:** Wide, secure swim platforms, both front and aft, feature deepwater ladders for safety and convenience.

F  **UNITIZED 2-PIECE HULL:** Top and hull are screwed and bonded together, creating the added strength needed to secure your lifetime hull warranty.
CHOOSE YOUR EXCITEMENT.

With four distinct hull contours, Starcraft delivers unbeatable performance that’s designed to be the very best experience, no matter how you spend time on the water. Take a few moments to learn more before choosing the Starcraft model that’s right for you.

**SCX CROSSOVER I/O (SURF OPTION AVAILABLE)**

The SCX Crossover I/O is engineered to excite. With jaw-dropping performance, head-turning style and impressive space, it’s a thrilling way to enjoy the water.

**STAR STEP I/O**

This spacious deckboat seats up to 12 and features an innovative cutaway hull design that provides a longer running surface for quick planing and sporty performance.

**SCX CROSSOVER OB**

The SCX Crossover OB is destined to impress with plush seating, sport performance, an impressive cockpit and impeccable style. From stern to bow, it has all the bells and whistles.

**STAR STEP OB**

Exciting performance combined with plenty of seating makes the Star Step OB a great choice for sportboat performance when you have a bigger crowd.
MODIFIED DIHEDRAL CAT HULL features a deep V-hull with side sponsons that slice through the water, increase stability when anchored and provide for a larger bow area.

STAR STEP HULL incorporates a cutaway design with a longer running surface that delivers faster planing, less bow rise and better performance with lower horsepower.

MODIFIED DIHEDRAL V-HULL virtually eliminates rough ride and rocking motion, while air injection vents provide the smoothest, driest and most stable ride in its class.

RUNABOUT REVERSE CHINE HULL pushes water down and away from the boat, providing first-class performance with impressive acceleration and cornering.

MDX (I/O & OB) DECKBOAT
The versatile MDX offers serious fun for everyone. A Modified Dihedral V-hull delivers a smooth and stable ride that makes for a great day on the water.

COASTAL OB DECKBOAT
The smooth ride of the spacious Coastal OB deckboat lets you enjoy the open water. You’ll make the most of every minute.

LIMITED DECKBOAT
Whether you’re dropping anchor, dropping the throttle or dropping a line in the water, the open floorplan offers something for everyone.

LIMITED RUNABOUT RUNABOUT
With thrilling acceleration, smooth handling and great styling, this speedy runabout is a water sport-lover’s dream boat.
RAISE YOUR GAME WITH HIGHER HORSEPOWER.

Looking for breathtaking performance and sleek styling in one head-turning crossover? The SCX I/O delivers up to 380 HP full-throttle power combined with the expansive comfort of a luxury deckboat. Accommodate the whole crew with an oversized swim platform, open stern with convertible family fun seat and plenty of bench seating. Let the party heat up with optional lighted cupholders and powerful Infinity stereo with Bluetooth®. Keep the captain happy with a plush, premium helm seat with built-in bolster.

A SERN BENCH SEAT: Gear up with ease thanks to this rear-facing bench seat and the optional extended swim platform with an integrated telescoping ladder.

B OPTIONAL MURPHY TOUCH SCREEN WITH SURF SYSTEM: All of the surf system's controls are conveniently at your fingertips, including presets for personal preferences.

C FAST FILL BALLAST BAG: Our high quality, durable system provides 1,385 lbs. of total ballast with 650 lbs. in the center storage and 380 lbs. on either side of the stern. The fast fill pumps can completely fill the ballast in approximately 6 minutes.

D ADJUSTABLE SURF TABS: Shape your own wake characteristics with personalized wake control presets.

E VOLVO PENTA FORWARD DRIVE: Volvo leads the way in surf system drives that offer variable trim angles.
VOLVO PENTA

VOLVO FORWARD DRIVE
The Volvo Forward Drive system has two counter-rotating propellers that attach to the front of the lower unit. The entire lower unit of the Forward Drive system rotates from side to side and tilts up and down, effectively acting not only as the steering but also the trim.

WAKE TO WAKE TRANSFER
Take wake surfing to the next level with double the surfable wake and twice the fun with the push of a button.

The Star Step I/O gets the royal treatment with a fresh redesign from bow to stern. Special attention to space optimization has resulted in deeper bow seating, modern modular floorplan options and a cockpit with more room to move about. Below deck, a unique stepped hull design delivers a performance advantage and the longer running surface allows for rapid planing. The plush, spacious sundeck easily adjusts to give you the choice of a full sun pad, a chaise lounge or a flip-up backrest. Three models offer you the choice of an entertainment center with a freshwater sink (221 E I/O), a full side bench (221 I/O) or a full wraparound windshield (220 I/O).

The Deckboat Experience Takes a Big Step Forward.

A CONSOLE: Cruise in style with a full fiberglass console with chrome-accented gauges, lighted rocker switches and a spoked steering wheel.

B IN-FLOOR STORAGE: Bring along all your favorite water sport gear and keep it dry in our in-floor storage spaces (shown with optional Snap-In Sea Weave flooring).

C BOW LOUNGERS: Curved plush loungers with cupholders provide maximum bow seating or the ideal space to recline.

D SKI TOW/CONVERTIBLE SEATING: Star Step OB has two removable filler cushions in the rear that provide full wraparound seating and can easily convert to dual rear entry. The ski tow comes standard and features built-in cupholders.

E HEAD UNIT: The spacious head unit comes with a standard Porta Potti®.
THE ALL-NEW MDX I/O.
TAKE EVERYONE. DO EVERYTHING.

Whether you crave high-powered watersport performance, plush comfort or simply room for 12, the all-new MDX I/O deckboat is designed for you. The excitement starts with an impressive fully loaded console, a stereo with Bluetooth® and a stern swim platform with boarding ladder. Make it your own with our great optional packages that let you add fishing or wake boarding to your days on the water along with premium satellite radio and stylish LED lighting.
