For 110+ years, the name Starcraft has stood for quality and innovation in fishing boats. We’ve earned our reputation through hull designs that deliver jaw-dropping performance and a smoother, drier ride — and through industry-leading construction and high-grade materials. It’s this attention to detail that turns the heads of professional anglers across North America, and we are proud to build boats that help them succeed. Most importantly, we take that knowledge and apply it to great models that fit every budget. Whether you’re looking for a fully-loaded, tournament-ready craft or a rugged, reliable utility, you can be sure you’re getting a boat that reflects our proud heritage. Because if you were born to fish, there’s a Starcraft for you.

BORN TO FISH. BUILT FOR WINNERS.

Guided by five generations of the Schrock Family and its passion for boating, Starcraft Marine has developed a loyal, experienced network of employees and dealers, so that we can deliver the industry’s best service and lifetime +6 warranty. It’s peace of mind that we’ll be here for generations to come.

THE INDUSTRY’S BEST WARRANTY. PERIOD.

- Limited lifetime warranty on hull and structure
- 6-year warranty on all components, carpet, upholstery and electronics
- All parts and labor
- 100% administered by Starcraft Customer Service Department
- Transferable to second owner

THE ONLY WARRANTY WITH 250 YEARS OF HERITAGE BEHIND IT.
OUR COMMITMENT TO YOU:
SUPERIOR CRAFTSMANSHIP.

As passionate anglers, we know firsthand all the things that create a better fishing experience. It starts with better materials, superior construction methods and innovative hull designs that deliver the very best ride and handling in all types of water. It also means delivering better fishing foundations: larger bow platforms, state-of-the-art livewells, exciting consoles and plenty of secure rod storage. And it’s topped off with top-quality factory-installed features and an impressive, durable paint finish that’s worthy of carrying our name.

HEAVY GAUGE ALUMINUM is de-coiled into flat sheets that are ready to be cut, bent and molded for production.

CNC ROUTED parts are cut out on a router to the exact dimensions to fit perfectly into every boat.

ONE-PIECE ALUMINUM BOTTOM is folded and molded to the greatest intrinsic shape.

RIVETED for superior strength, allowing the flexing needed for a smooth, dry ride.

5052 H34 Marine grade 100-gauge aluminum resists dents, dings and corrosion for years of reliability.

THROUGH BOLTED TRANSMOBRACES allow for the high horsepower engines.

POWER-TRAC HULL® combines longitudinal, machine-formed ribs with Starcraft’s exclusive Torsion Beam Construction (TBC) stringer system that flexes with the waves instead of against them, providing greater strength and a smoother ride.

7-LAYER PLYWOOD FLOORS injected with urethane foam deliver maximum buoyancy, and all carpet and vinyl is installed with spray adhesive to avoid any loose fitting materials.

FULL PAINTED HULLS are first primed before painting and baked twice to provide showroom looks for years to come.

ALL DECALS are installed by hand, giving the boat a finished look that is unmatched.
EXCLUSIVE PERFORMANCE OF THE POWER-TRAC HULL®

A smoother ride at higher speeds depends on a better hull design. Starcraft Power-Trac Hull features a greater angle of deadrise that works in combination with the exclusive Torsion Beam Construction (TBC) stringer system to deliver game-changing performance. Longitudinal machine-formed ribs flex with the chop to minimize pounding even in rough water.

SOFT & SMOOTH RE-ENTRY: When it comes to rough water, a great ride depends on the re-entry of a boat. Starcraft’s exclusive Power-Trac Hull and aggressive deadrise at transom in combination account for one of the softest rides in rough water.

YARBLOW VENTILATION SYSTEM

Starcraft is proud to offer the exclusive Yarblow Ventilation System that better protects your expensive fishing gear and tackle by preventing rust and corrosion. Yarblow uses pressurized air to eliminate mold and mildew in the bilge and dry storage areas resulting from humidity and normal precipitation. It’s all part of our commitment to providing peace of mind and giving you more value for your investment.

STATE-OF-THE-ART LIVEWELLS: CONVENIENT, RELIABLE

You can count on Starcraft for large-capacity, state-of-the-art aerated livewells to hold your catch and keep it fresh all day. Select models feature an aerated, timed and recirculating livewell with an integrated baitwell and oxygenator.

FRESHCATCH LIVEWELL: Our aerated livewells are timed for convenience and feature a PowerStream nozzle, a single bilge and black thru-hulls.

FRESHCATCH PRO LIVEWELL: Our pro livewells are aerated and timed and feature a recirculating pump to move more water and oxygen into the tanks to keep fish active. Highlights include a PowerStream aerator, black thru-hulls and PowerStream nozzle.

You can count on Starcraft fishing boats to be backed by the industry’s best warranty. The exclusive Lifetime +6 warranty provides a limited lifetime warranty on the hull and structure and a 6-year warranty on all components, including carpet, upholstery and electronics. The warranty covers all parts and labor and is transferable to a second owner.

BOW PLATFORMS

Starcraft fishing boats feature wide beams and large, open casting platforms. Flush in-floor storage and livewells give you unobstructed space for maneuvering. And the enhanced interior depth of our deep-V hulls provides added safety in rough conditions.

CONSOLES

Starcraft deluxe consoles are sleek and contemporary with sports car styling and ergonomic comfort at the helm. Select models feature a full array of fog-free gauges, hydraulic steering, lighted rocker switches, and space to conveniently mount a sonar unit.

ROD STORAGE

Our rod storage spaces are designed to give you the ability to take and easily access all your favorite gear. Select models feature lockable bow in-floor center storage that safely stows up to eight rods.

PREFERRED BY THE PROS.

Starcraft is proud to sponsor a team of elite professionals competing at both the local and national level throughout North America. With numerous World Championship and Team of the Year titles to their credit, Team Starcraft demands a superior level of performance and reliability that’s passed on to our recreational and semi-pro customers. Feedback from the team helps us to continually fine-tune our design process and build a better boat that every fisherman can take pride in.

Keep up with Starcraft professionals at [teamstarcraft.com](http://teamstarcraft.com) and view tournament leader boards and team bios. You can also find tips from the pros for a variety of fish species and fishing styles.
RENEGADE
Die-hard outdoorsmen, you’ve met your match in the rugged and reliable Renegade. Whether you’re loading a surplus of gear and shoving off for the pre-dawn catch or stealing away for an all-day outing, this layout adapts to your every need.

STEALTH
Step up to a Stealth and enjoy a world of great fishing at an unbeatable value. Legendary quality and reliability means this is a boat you’re sure to pass down to the next generation.

PATRIOT
Everything you need and nothing you don’t is the mantra of the Patriot series. A best value that delivers the best of times on the water, all your bases are covered in this rugged, reliable craft.

SUPERFISHERMAN
Turn fishing into a team pursuit with a versatile craft specially designed to accommodate more crew and more gear. The Superfisherman lets you enjoy family time and hours of water play without compromising its core fishing capabilities.

TITAN
Put more action in your next excursion with the roomy, well-equipped Titan. A modern, innovative console and abundant amenities for the serious angler deliver a pro-style experience at a budget-conscious price.

STX
The tournament-ready STX features a spacious floorplan, large capacity livewells and all your favorite features so you can fish like a pro.

FISHMASTER
Harness the spirit of the open water and enjoy superior control in challenging conditions. With the Fishmaster’s wide beam, deep interior, large fuel capacity and amped up horsepower — you’ve never been more in command.

BUILT FOR OPEN WATER. DESIGNED FOR TOTAL CONTROL.

Fishmaster is the big-water angler’s best choice with its deeper V and wave-taming toughness. From its spacious open floorplan to the generous windshied-protected cockpit and state-of-the-art dash with optional flush mount display, the Fishmaster is a serious water warrior for the experienced fisherman. A redesigned Bimini top allows for forward radar positioning, making it easier to fish from the stern. Roomy port and starboard rod storage and removable jump seats add versatility, and the all-vinyl flooring makes cleanup a snap.

THE PERFECT FISHING BOAT FOR SERIOUS THRILL-SEEKERS.

Amp up the versatility with a rugged boat that seamlessly marries great fishing with high-powered water sports. The ultimate summer is yours for the taking when you’re at the helm of the largest Fish-n-Ski style craft on the market. Amenities include a flexible bow design that converts from walk-in to full platform, an oversized motor pan for angling out the back and a modern dash with flush mount MFD options. Enjoy in-floor storage for up to six rods along with a deep aerated livewell for your fresh catch. Options such as a ski pylon, and Power Package allow for custom enhancements that translate to extraordinary performance.

AN EPIC EXPERIENCE FOR THE ENTIRE CREW.

Load the family and all your gear for an action-packed day trip filled with fishing and water fun. The fully loaded Titan happily accommodates captain and crew with its full sea weave cockpit floor, modern lighted dash, stereo with MP3 port and a walk-in cushioned bow. When it’s time to hang up the rods, safely stow your gear in the roomy in-floor locker and keep your catch fresh in the large-capacity bow and stern aerated livewells. Easily transition into cruise and sport mode by flipping up the stern casting platform to reveal additional seating, or by adding an optional integrated ski pylon.

A RELENTLESS COMPETITOR, DESIGNED BY OUR PROS.

Born of years of tournament experience, the Starcraft STX series is designed to out-fish the competition. With its sleek low profile, abundant storage and pro fishing amenities, it’s ideal for open water walleye fishing. The STX 2050 comes equally equipped with top-of-the-line features like a modern dash with full gauge and flush mount MFD options that give you that same tournament-ready edge in an aluminum hull format.
